
CONSIDERABLE INTEREST has been manifested in relocating of the El Camino Real mission bell that has been located on Winchester Blvd. in Campbell for the past 60 years.

It has been suggested that the marker now virtually hidden by the tree at Winchester and Campbell Avenues should be moved to a spot where it would be visible at least to passers-by.

Many people were surprised to learn that such an historic marker was in Campbell in the first place.

That's really not too surprising, inasmuch as they hadn't been able to see it for many years because it has been hidden by the limbs of the tree.

And many of those who even have some knowledge of the historical significance of the El Camino Real mission bell markers that are scattered throughout the state, couldn't figure out why Campbell should have one of the markers in the first place.

Most of the markers they have seen have been on El Camino Real marking the route used by the Spanish padres in establishing their missions.

And for sure, Winchester Blvd. is not El Camino Real.

-0-

BUT CAMPBELL HAS AN historical right to its bell.

That was determined about 10 years ago when the El Camino Real Association suggested that it be moved to a spot on Highway 101, more or less which it followed to some degree the padre trail between missions.

The marker was put up in Campbell on Winchester in 1912 when, according to our research, it was purchased by a church group. Until 1940 it stood on the old high school property across from its present location to which it was moved when the old high school site was sold.

The marker calls attention to the route that was used by the Spanish padres over the Santa Cruz mountains between the mission in Santa Clara and the mission in Santa Cruz.

Those of you who after pushing aside the branches bother to examine CampBELL'S bell closely will observe that an arrow points north with the wording "Mission Santa Clara 5 mi."

Below that: "Santa Cruz 30 mi." with another arrow.

So Campbell does have an historical landmark after all.

Even if you can't see it.

-0-

IT HAS BEEN SUGgested that the sign be moved down the street to teh Joseph V. Gomes Park where it could be visible.

The suggestion was made to us and then we sorta picked it up from there. There has been a good response, relatively speaking.

(Two calls on such an idea is generally considered tremendous in our league.)

(And the response was better than that.)

One of the supporters for moving the CampBELL bell is Vice-Mayor Bill Podgorsek.

He wants the city staff to check out what has to be done about digging up the bell marker (now on West Valley College property, the former Campbell Union (elementary) School District parcel) and moving it down the street.

Knowing Bill, we have an idea that there will be an answer forthcoming soon.

-0-

INCIDENTALLY, WHILE on the subject of the mission CampBELL, it has been suggested that the bell marker could be moved even farther down the street.

It has been pointed out that there is available space, for example, at St. Lucy's. A good case could be made for relocating the El Camino bell

Since 1895

Vol. 80 No. 13 Wednesday, March 29, 1972 10¢

378-9136 35 Dillon Avenue, Campbell, California

FIRST ANNUAL EVENT STARTS AT 11 A.M.

Easter parade takes place Saturday

Emphasizing the theme "The Joy of Easter", Campbell's first annual Easter Parade will swing down Campbell Ave. at 11 a.m. this Saturday, April 1 from the staging area in the West Valley College parking lot between Campbell and Rincon avenues.

The parade will disband in the parking lot north of The Towers in the PruneYard. The parade route follows Campbell Ave. to Bascom to the northern entry way to the PruneYard.

The reviewing stand will be set up at Gilman Ave. at Campbell Park and various city, county and state officials have been invited to sit in the stand.

The city officials, who are in the parade, will leave the parade and take their places in the stand when they reach that point.

Trophies and ribbons for the prize-winning entries in the parade will be awarded in the amphitheater of the Gran Plaza in the PruneYard.

Trophies include, the mayor's trophy (for most beautiful) by Spartan Printing; theme prize by the PruneYard; director's trophy (originality) by the Chamber of Commerce; judges' (most humorous) by Kirkwood Plaza Shopping Center; county (outside city), Rotary Club; best marching band, Kiwanis Club; best military, The Towers; best equestrian group, by Marquis Travel Service; best single motor vehicle, by "Smoggy the Frog" and queen's and princesses' trophy by San Tomas Plaza Center.

Ribbons for individual and group entries will also be awarded.

50 ENTRIES

More than 50 entries will be in the line of march marking the first time, according to parade officials, that such an event has been held in Santa Clara County.

Buddy Lane, a noted singer and entertainer, will be grand marshal of the parade. Lane, who has made many personal appearances and who plays the guitar, trombone, trumpet, piano and organ, is also a composer, but is particularly noted for his singing ability.

A 10-man honor guard will lead off the parade, followed by city officials and the official parade band which is a combination of the bands of Campbell and Westmont High Schools.

The Navy entered a drill team as well as the float replica of "Old Ironsides."

YOUTH GROUPS

Contingents of youth groups will be scattered throughout the parade including 100-unit Y-Indian Guides entry composed of fathers and sons of that organization.

The San Tomas Boy Scouts, Cub Pack 334, Girl Scouts, Neighborhood 15, Cub Pack 331, and two entries of the Gold Diggers junior drill team are also among the youth units.

The Marines will have a color guard entry and the Coast Guard has entered its band and drill team and the Air Force has entered a vehicle.

Other musical groups include, the Monta Vista High School Matador marching band, the Sunnyvale High School marching band and the Royal Canadian Legion pipe band and Sweet Sioux Baton Corps.

San Tomas School has entered a float "Joy of Youth" and the Assembly of God will have a float entitled "The Risen Christ."

Other entries include floats by the PruneYard merchants, and Cardiff Affair with the theme "Young at Heart."

OTHERS

There are also entries from the Campbell Moose Lodge 1811, Knights of Columbus Council 3474, West Valley Progressive Seniors, Veterans of Foreign Wars 811, Campbell post office, Model "T" Auto Club, "Smoggy the Frog" and Bliss Photo.

The Easter Parade queen, Kathy Arnold, and her court, Sandi Lunt, Lupe Austin, Cindy Long and Kathy Cant-

(Continued on Page 2)

THE JOY OF EASTER--Hard at work on this float which the Assembly of God Church is entering in the first annual Easter Parade on Saturday are Jeanette Johnson, Valerie Sequiera and Gayle King. The float theme depicts the empty tomb on Easter morning.

CONSOLIDATION

Campbell city officials and civic leaders this week were less than enthusiastic over the suggestion of Supervisor Ralph Mehrkens that the question of a county-wide consolidation should be referred to the voters.

The suggested consolidation would bring all the cities and county into one big metropolitan bag.

Campbell leaders felt that this city would lose much more than it would gain by such a move. The idea has been referred to the Inter-City Council.

QUEEN KATHY ARNOLD

Queen's Ball this Friday fetes court

In honor of the queen and her royal court of Campbell's first annual Easter Parade, the Queen's Ball will take place this Friday, March 31, at 8:30 p.m. in the Campbell High School cafetorium.

Queen Kathy Arnold and Sandi Lunt, Lupe Austin, Cindy Long and Kathy Cantwell, princesses, will be honored at the coronation ceremonies at the ball on the eye of the first annual Easter Parade that swings down Campbell Ave. on Saturday, April 1 at 11 a.m.

Music for the ball will be provided by the Campbell High dance band and orchestra. Tickets are 75-cents.

IN OUR EASTER BONNETS--Members of the Senior Action Center will be displaying their gayest Easter bonnets in the Saturday parade. Leading their entry will be J.T. Mason, left. In bonnets are left to right, Mrs. Irma Reese, Mrs. Dorothy Elkerton, Mrs. Beulah Hoskins, Mrs. Florence Dower, Mrs. Clara Gregg, Mrs. Aurelia Fuller and Mrs. Georgia Shepherd.

ADOPT ORDINANCE BY 3-2 VOTE

Amato site plan gets final City Council approval

On Monday night, more than four months after the proposed site plan for the Amato property was first presented to the Planning Commission, the City Council by a 3-2 vote adopted the zone change ordinance which allows the proposed single-family/town house development on the 31-acre parcel between Campbell and Latimer avenues just west of the San Tomas Expressway.

Thus the final curtain was dropped on the controversial site plan which has been vigorously opposed by residents in adjacent areas. Unless, that is, the rumors materialize that the residents plan a referendum to overrule the Council's action.

The zone change ordinance from R-1 to P-D (planned development) becomes effective in 30 days. The same voting alignment was in effect on Monday as was the case in previous actions on the site plan with Mayor Ralph Doetsch and Councilmen Dean Chamberlin and Bill Smeed favoring the plan and Vice-Mayor Bill Podgorsek and Councilman Ed Rogers opposing.

The City Council on Monday presented for first reading an ordinance establishing a Civic Improvement Commission which will be composed of seven members.

The original draft of the ordinance specified that there would be three ex-officio

(Continued on Page 2)

EASTER

Following a tradition established almost 10 years ago, The Campbell Press presents an Easter Message from a local clergyman in the issue that appears during Easter Week.

The Rev. Anthony Wayne Myers, pastor of the Congregational Church of Campbell since June, 1966, presents this year's message.

The Rev. Myers contributed his first Easter Message to The Press in 1968 and on several Easters since then he has been a contributor to this newspaper.

REV. WAYNE MYERS

EASTER MEANS HOPE

by Rev. Anthony Wayne Myers

Several tiny boys and girls from our church Pre-School came up to the tower of our church with me the other day to ring our historic bell, which has called generations of Campbell residents to weekly worship.

The boys and girls, along with their teachers, had fun hanging on the bell-rope and making the bell "ding-dong" its welcoming sound. They were celebrating the fact that "Easter is coming!"

Those small pre-schoolers are one of the hopeful evidences of our lives. In person they radiate hope. Their eagerness, joy and love of life stir our hearts. They proclaim the Easter message for us in a personal way.

The Easter message, understood and interpreted by the many churches of our community, each with its own style of worship and teaching method, reminds all of us of the hope that God still offers us and offers our world. Easter means hope for mankind. And without hope most of us disintegrate.

This past winter may have been such a discouraging time at your house. Many people have been out of work, others have been ill, family problems beset some, deaths and moves and other losses affect others. We can get down-hearted about our personal lives and about life in general. We can say, "What's it all about?" Some of us go about in a constant state of depression and unmanageable gloom.

But Easter is th[illegible] [illegible] we celebrate the hope that comes to us when other hopes fail and when other securities are gone. Beyond caring for self, humanity learns to seek after the eternal source of strength. Easter says that not even death can hold back the powerful, healing and redemptive work of God on our behalf.

Be in church Easter Sunday to help celebrate the hope from God that outlasts all human sufferings.

AFTER 14 YEARS IN CAMPELL

Chief Maxwell retires to take Alaska job

With 25 years of fire service under his belt, (14 in Campbell) Fire Chief George Maxwell is retiring under the Public Employee Retirement System.

But he is not going to take it easy, for on May 1 he assumes a responsible position in Anchorage, Alaska.

Fire Chief Maxwell, 55, who has headed the Campbell Fire Department for almost 14 years, is retiring as fire chief here and has accepted the position of Director of Public Safety for the Greater Anchorage Area Borough in Alaska.

APRIL 14

His retirement becomes effective in Campbell on Saturday, April 14. He will report for his new duties in Anchorage on May 1.

Maxwell's retirement was announced at the City Council meeting on Monday and City Manager Bob Stephens said that Fire Marshal Gene Borden will be named acting chief.

Chief Maxwell, this city's first full-time fire chief, came to Campbell in Nov. 1958 from Manhatten Beach, Calif., where he was a fire captain and had served in that department for more than 10 years.

At the time of Maxwell's appointment as the first full-time fire chief, there were three paid members in the department and a volunteer fire chief. The late Jack Scott had served as volunteer chief since 1941.

GEORGE MAXWELL
--retires as fire chief

EXPANDED

During Maxwell's tenure as fire chief, the department has grown from the three men to more than 30 today. In 1970, the second fire station on Sunnyoaks was constructed from bond funds that had been approved by the voters, and the headquarters of the department was moved from the Central Ave. location adjacent to the city hall to the new facility.

With its training tower and other facilities, the headquarters station is rated as a model for such stations in the area. Last year also a new $50,000 pumper-engine was purchased by the city and with the other equipment that the department has available, it has made the department one of the most efficient and

Editorial

Easter Parade

On Saturday, April 1, at 11 a.m. Campbell's first annual Easter Parade will move down Campbell Avenue from the West Valley College lot. It will disband at the PruneYard after passing the reviewing stand that will be set up at Gilman Avenue adjacent to the city park.

The Press commends the hard-working groups who have put the event together in such a short period of time.

It must be remembered that organizing the first Easter Parade in such a short period of time has made the going that much more difficult.

Planning and developing any "first" is a difficult job at the best. But the idea of the Easter Parade was only suggested in February this year, which meant that everything had to be done at a run or a trot.

But it has been done.

As the final details are being worked out this week, indications are that it will be an outstanding event and one in which all of us in this community can take pride.

The theme of the parade is "The Joy of Easter" and entries in the parade have attempted to carry out the theme in their floats.

Unless one has been exposed to the hundreds of details that are involved in organizing a parade of the type that is planned for Saturday, it is difficult to realize what a big undertaking it really is.

Most of us are content to stand on the sidelines and applaud, without giving any thought to what has gone on before the parade is ready to move out.

We think the people who have worked so hard to make this first annual Easter Parade a success are deserving of recognition and commendation.

We have long advocated that there is a need in this community for some sort of community wide event that would act as a unifying force for the entire area.

We hope that the first annual Easter Parade will prove to be just what the doctor ordered in that respect. We think it will.

We are well aware of the difficulties that were involved in "selling" this first parade.

That is generally always the case when something new is tried.

And, of course, because time was so limited, the "selling" was that more difficult.

But we are convinced that the enthusiasm and cooperation that has developed in such a short period of time for the FIRST annual Easter Parade for Campbell indicates a great future for the event.

It has a lot to offer the community.

Even at this stage of the game, with the first annual Easter Parade still in the offing, there have been suggestions made for next year's event.

That gives some idea of the enthusiasm and the cooperation that has been generated even before the event has taken place.

A queen and court has been selected and the Queen's Ball honoring Queen Kathy Arnold and the four attractive young ladies who comprise the royal court, will take place this Friday, March 31, at Campbell High School.

Queen Kathy will carry her title as "Queen for the Easter Parade" throughout the year as she represents Campbell.

We also think that the entry of the float by the Assembly of God church in the parade, typifying the real purpose of celebrating Easter, is a heartwarming gesture of community cooperation.

Obviously there will be cynics who will be anxious to criticize this community wide effort and we recognize that there will be many flaws that can be found in the first annual Easter Parade.

But, all in all, it is a milestone in this community's life and we are convinced that it is a worthwhile event.

We commend the people who have worked so hard to make it all possible. We urge you all to join in making next Saturday, April 1, a day to remember when Campbell's first annual Easter Parade moves down Campbell Avenue with its theme "The Joy of Easter."

Happy Easter.

on the church property that fronts Winchester.

There is merit in that suggestion.

Possibly the St. Lucy's location would be even better than the Joseph V. Gomes mini-park.

But we really don't care where the bell goes, as long as it can be seen.

Admittedly the St. Lucy's location has a lot going for it.

For one thing, there is more room there than at the mini-park.

We also think that placing the bell at St. Lucy's might possibly be an incentive for the church to complete the landscaping project on its "campus."

Right now there seems to be a few gaps.

In the landscaping, we mean.

-0-

A NUMBER OF YOU have wondered why we have chosen to ignore the latest blast from a teachers' group in the Campbell Union (elementary) School District which was distributed a week or so ago to all the teachers in the district.

The group we refer to, as most of you know, only represents a relatively few teachers. However, they do have access to the so-called "pony express" distribution system of the school district. This allows this group to circulate their stuff to all the teachers.

But for the record, we submit that some people should review the legal definition of slander.

For their edification, we quote in part: "Slander is a false and unprivileged publication...which tends directly to injure him in respect to his office, profession, trade or business, either by imputing to him general disqualification in those respects which the office or other occupation peculiarly requires..."

We thought that was an apropos quote at this time.

-0-

"DON'T YOU READ your own newspaper?"

We heard that on a number of occasions this last week.

And the point was well taken.

We had not read it nor did we know that the following classified ad had appeared under "Personals" last week until someone called us about it:

(We hasten to assure you we would not have done anything about it had we known about it except change the spelling from "right-in" to write-in".)

"WANTED-right in (write-in, it should be) candidate for Campbell City Councilman, election April 11, 1972. Strong believer in R-1 single-family homes against multiple unit developments. Please call 378-7539."

We don't ordinarily give the classified ads that appear in this sheet extra exposure.

However, as far as we can determine, this marks the first time in the 20-years existence of the city that the classified ad columns of this newspaper have been used to recruit a candidate for the City Council.

So we thought it worthy of mention in this column.

Besides our gal, Ruthie, who took the ad, really knows the difference between "right" and "write". She just had a lapse.

However, to be sure we have asked her to write "right" and "write" on the IBM enough times until she had it right.

The ad, of course, is corrected this week.

Right on.

Or should that be write-on?

-0-

CAMPBELL'S FIRST ANnual Easter Parade will take place this Saturday, April 1. We think you will enjoy it.

Of course, there are some people who couldn't care less about a parade.

But most persons like 'em, we think.

We also like the idea of a community wide activity such as is typified in Campbell's first annual Easter Parade. We think every community needs some such event.

In order to get the first parade off the ground this year because of the late start, the committees have had to go at break-neck speed.

To their everlasting credit they have done a tremendous job in the pioneering, planning and organizing in the short period of time.

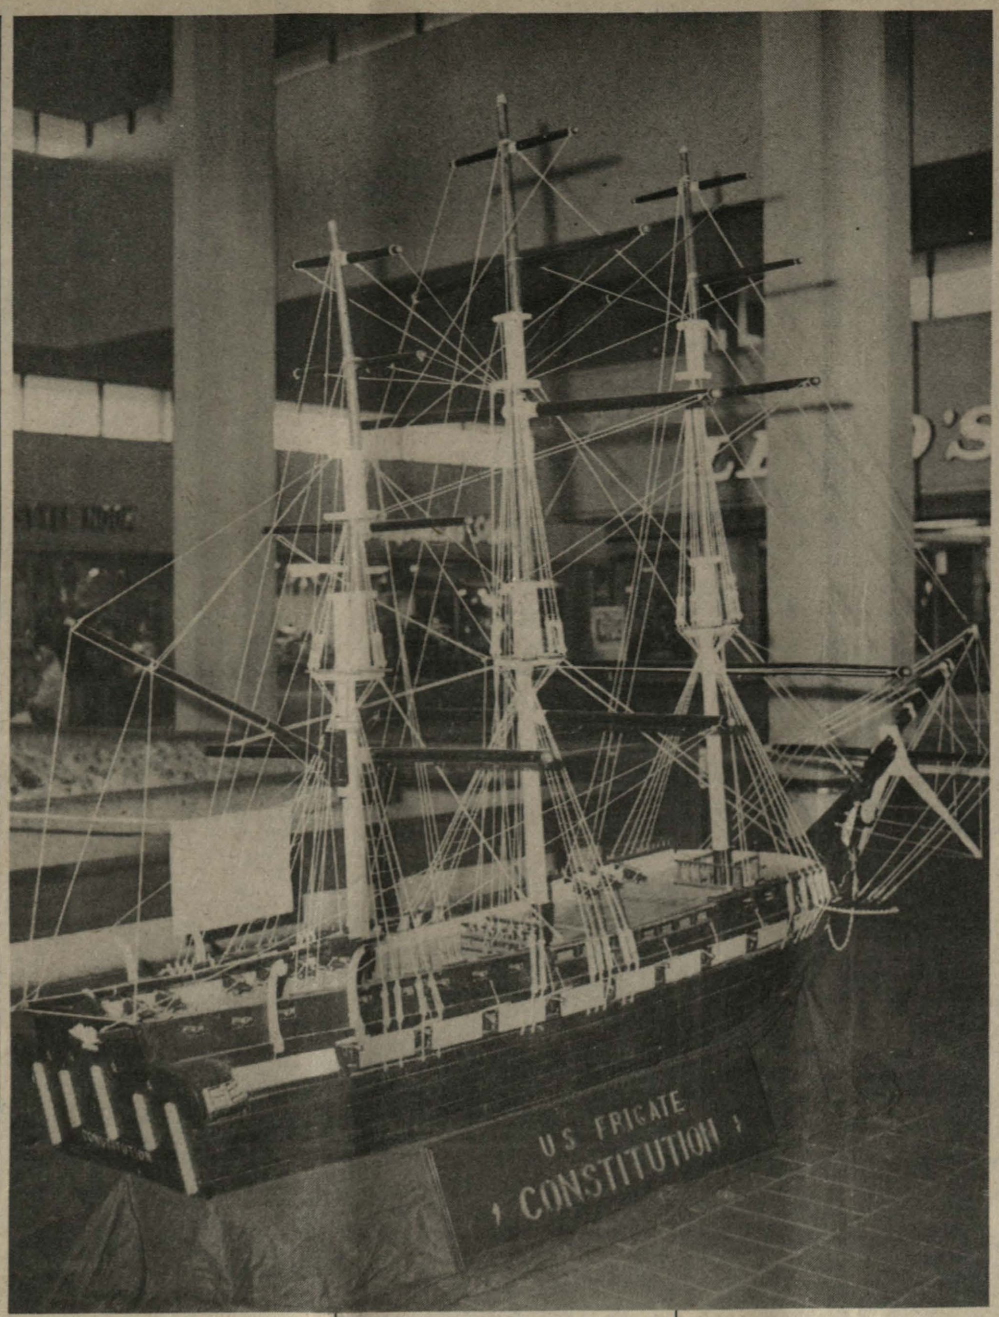
Jim Payne and Betty Piper, as co-leaders, have done a superb job in directing the operation and they have had tremendous support.

Because of their efforts to make this first parade a success, we think the future of the event is assured.

In this case, wait until next year is no idle phrase.

See you at the parade.

Happy Easter!



ENTERED IN PARADE--A scale model of the USS Constitution ("Old Ironsides") will be in the first annual Easter Parade this Saturday, April 1. It has been entered by the U. S. Navy.

Fire chief

(Continued from Page 1)

best equipped in the area.

Year after year, under Chief Maxwell's leadership, the Campbell department has received nationwide recognition for fire prevention activities.

The latest such honor came this year when the National

The latest such honor came this year when the National Fire Protection Service awarded Campbell first place nationally in cities 20,000 to 50,000 and second place for all cities in the state, only topped by Hayward.

NEW RESPONSIBILITIES

In his new position, Maxwell will direct police, fire, building, fire prevention, communications, animal control, civil defense and the ambulance service for the Greater Anchorage borough, which covers about 1100 square miles.

Maxwell and his wife, Dorothy, plan to leave in their motor home on April 17 and will take about three days to reach Seattle, where they will board the ferry. They expect to arrive in Anchorage about April 26.

The Maxwells have two daughters, Pam, (Mrs. Richard Meyer), whose husband is personnel and purchasing director for the City of Newark and Sandy (Mrs. Thomas Alley), whose husband is a member of the Saratoga Fire Department. The Maxwells have eight grandchildren.

Maxwell has taken an active part in city and professional activities during the time he has been in Campbell. He has long been a member of the Rotary Club and has served as president of that organization.

He has also been a leader in the professional fire department association and has been an officer in regional, state and national associations.

MIXED FEELINGS

Chief Maxwell said he was leaving with mixed emotions. He is looking forward to the challenge of the new position but, he said, at the same time, it means leaving a community and its people that he has learned to love in the 14 years he has been at the helm of the department.

"I am proud of my record," the chief added, "and have attempted to serve this community to the best of my ability.

Parade

(Continued from Page 1)

well, will have honored places in the parade and Rusty Hammer and Al LaPlante, president of the Chamber of Commerce, also will be in special vehicles. Miss Santa Clara County will be in the parade as will be Miss Show Girl of 1972, of the International Guild of Performing Arts.

There will be a number of walking entries in Campbell's first annual Easter Parade and prizes will be offered for the best attire, both individually and family groups.

The IBM Clown team is entered as well as the Santa Clara Dog Training Club and a number of equestrian groups.

Jim Payne, Sr., parade director, estimates that there will be between 1800 and 2300 people marching in the parade and the route is 1.6 miles in length with the reviewing stand at approximately the halfway mark.

Payne said that the staging area will be open at 6 a.m. and that the first 10 units must be in step-off position by 10:45 a.m. The corner of Bascom and Campbell avenues will be closed to all traffic at that time.

Letters to the Editor

DENSITY?

Dear Editor,

The March 22 issue contained a letter to the editor from Mrs. Gertrude L. Alcock, 128 McBain Ct., titled "Favors Low Density".

The matter of density is one of high priority in the minds of people today. It is therefore extremely important that the facts concerning any individual case be correctly stated.

The letter states that the majority of the Council "voted to REZONE a 31 acre property from residential single-family (R-1) to Planned Development (P-D) and approve a plan for the highest possible density multiple dwellings."

The record shows that the plan approved (P-D) had a density of 7 families per acre. This compares to 5 families per acre for single family (R-1) and 35 families per acre in the highest possible density multiple.

Thank you,
Homer H. Hyde

Amato plan

(Continued from Page 1)

members, representing the three other city commissions. However, the City Council deleted that portion despite the plea of Vice-Mayor Podgorsek and Jeanette Watson, who initiated the idea of the new commission. In a letter to the Council, Dale Scott, chairman of the Planning Commission, also urged the need for ex-officio members in order to establish better communications.

The councilmen, however, indicated that the ex-officio part could be added later, if it was felt necessary.

On Monday night also the City Council approved the planting of three coast redwoods as replacement for the Monterey pine at the city hall which had to be removed because of disease.

The Parks and Recreation Commission, acting on the report of Tony Rodriguez, of its tree committee, had recommended either a cluster of three coast redwoods or one cedar deodar. The Council had held up action until the cost was determined.

The three trees will cost $240, Bill Wren, public works director, reported and the one cedar would be $180. The Council favored the three trees. Approximately $250 has been set aside by the Chamber of Commerce from clock tower funds that were not needed for the purchase of the trees.

Acting on the recommendation of City Manager Bob Stephens, the Council rejected all bids that had been submitted for a programmable calculator for the public works department.

The two bids submitted did not meet specifications, Stephens said, and new bids would be asked for. A third bid arrived too late. The department has budgeted $3700 for the machine.

The Council deferred taking any action on the lease for the Los Gatos Creek area that had been submitted by the Santa Clara County Flood Control and Water District. The councilmen indicated that they needed more information on the master plan for the creek area that is being drafted and also were interested in the city's liability in the overall picture.

By resolution the City Council expressed the official thanks of the city to the cooperation and support of the city's 20th anniversary and commended The Campbell Press for publishing an outstanding anniversary progress edition emphasizing the event.

Routine approval was given Moreland Little League to have its annual carnival from May 31 - June 4 at Hamilton and Marathon. H. N. Silver was given permission to operate a pawn shop and jewelry store at 86 E. Campbell Ave.

The Council also approved, on the recommendation of the public works department, a new rental schedule for city equipment, stop signs on the streets around the city hall and a five-year contract renewal with Traffic Signal Repair, Inc., the firm that maintains the traffic signals in town.

IN HAWAII

Mr. and Mrs. Albert S. Tafoya, 1341 E. Campbell Ave., Campbell, are attending a three-day conference of outstanding life insurance officials at the Kauai Surf Hotel, Kauai, Hawaii.

Tafoya is manager of the Life Insurance Company of North America in San Jose.

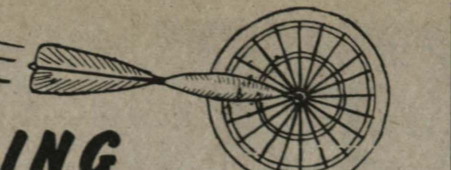
KQED solicits auction artwork

The public educational channel, KQED, is now soliciting artwork for its nine-day televised auction, the tv station's main source of funds.

Art selected for the auction, which will be held at the Cow Palace May 26 to June 4, will be shown in public previews, prior to the event, then sold on the first day of the fund-raiser.

Bernita Dodge of Campbell, who will display her work in a 3-woman show this April at Villa Montalvo, is contributing batik and acrylic paintings to the auction, as she has done for several years.

Art Guild members and established artists may donate work to the show through area solicitors, or contact the art chairman at 253-3713.



DARTING AROUND

with Tom Carroll

The Gaslighter Theater will be the field of battle tonight for the preliminaries of the South Bay League leading to the Doubles Championship. The first two finishers in the doubles finals join the top players in the singles finals to form the All-Star team that will do battle July 4 somewhere in the bay area.

Last season the South Bay walked off with all the honors in the doubles. Ben and Jim Macredes of Scarlet La Rue I took first place with Eric Branthwaite and Roy Haslam from Lancashire Lad I taking second. Let's see if we can do it again.

JOE YOUNG BENEFIT

Many darters in the area know the mighty Joe Young, one of Southern California's better darters. Joe suffered a massive heart attack last month, but is now up and around and hoping to be able to shoot darts when SCDA holds their singles championship, April 30. The boys at O'Mahony's in Santa Monica held a benefit tournament to raise funds for Joe. Last week they presented Joe with a check for $500. Besides what was raised in entry fees Woody and Jim at O'Mahony's donated the day's take over the bar.

QUARTER SEASON STANDINGS

The Saints from the Winchester St. Congregation (team I) have a four game lead over Andy Capp's I in the El Camino League "A" division while the Sinners (team II) hold a five game lead over the Villians (Gaslighter Theater III) in the South Bay "B" II division.

The Saints defeated Capp's I 7-5 to lengthen their previous lead by two more games. The Sinners maintained their average when Andy Capp's II was unable to field a team and forfeited last weeks match.

Under NCDA rules the Capp's get 12 losses but the Sinners don't get 12 wins. They retain their average just as if the match was not played. The Villains played to a 6-6 split with the Lancashire Lad IV girls team.

The Championship Scarlet La Rue's I moved one more game ahead of Lancashire Lad I. The Lads won 8-4 while the La Rue's won their match 9-3. Burlingame's Primrose Lanes II moved into third place 10 games behind the La Rue's in the South Bay "A" division.

In the South Bay "B" division, Banbury Clock I took over first, moving three games ahead of the Country Store and the Goof-Offs (Lancashire Lad III).

So at the end of the first quarter of the spring season, nobody has a commanding lead and there is still quite a bit of jockeying around for position.

Mugs!

DART GAMES TONIGHT (March 29)

Doubles preliminaries (within each league)

South Bay League—Gaslighter Theater, 400 E. Campbell Ave., Campbell.

El Camino League—Andy Capp's, 157 W. El Camino Real, Sunnyvale.

DART GAMES NEXT WEDNESDAY (April 5)

Winchester St. Congregation II at Gaslighter Theater II.

Prince of Wales I at Winchester St. Congregation I.

Gaslighter Theater III at Black Watch II.

Black Watch I at Gaslighter Theater I.

Country Store at Lancashire Lad III.

Primrose Lanes I at Lancashire Lad I.

Andy Capp's I at Scarlet La Rue's II.

Banbury Clock I at Banbury Clock II.

Myron E. Alexander

Campbell certainly needs a fresh approach to the solution of Community problems. Please join with me and cast your vote for RUSTY HAMMER for City Councilman, on Tuesday, April 11.

Camp Fire Girls

ROSEMARY SCHOOL

by Ellie Rumbaugh

All the Camp Fire Girls at Rosemary School gathered recently in recognition of the 62nd birthday of Camp Fire Girls, Inc.

Blue Birds were especially invited guests to the program, prepared by the older girls, which told of the beginning of Camp Fire Girls organization.

The girls told of some of the many activities in which they have participated.

Some of the girls shared experiences from summer camps, others told how Camp Fire Girls can earn honors and rank, and a scroll symbol story was presented by Mrs. Max Belleville's fifth and sixth grade group.

Mrs. Dale Hume's second grade Blue Birds gave an excellent demonstration using Lummi Sticks, and then all the girls joined in the Lummi Stick Chant and rhythm actions.

A cello solo by Sandra Belleville and group singing completed the program.

by Ellie Rumbaugh

VESPER SERVICE

The District Nine Camp Fire Girls held their Vesper Service last Sunday at Rolling Hills School.

The annual service, during Camp Fire Birthday Week, will bring together Blue Birds, Camp Fire Girls, Discovery Club, and Horizon Club girls from the area.

Horizon Club girls, Dawn Engdahl and Susan Ellis are the narrator and speaker. The welcome will be given by Mrs. Fern Jolimay, District Nine Committee Chairman.

Okiala Discovery Club, under the leadership of Mrs. Joanne Mohr will present a skit entitled, "One Nation Under God." Chairman for the Vesper Service is Mrs. Kay Cook.

Girl Scouts

by Carol Casteel

Troop 861 has been a very active group. The girls had a cook-out at Campbell Park last November followed by an overnight in leader Ardie Flanagan's back yard in December.

The girls made favors and sang carols for the "Della Maggiore School for the Severely Retarded" at Christmas.

The Seniors' Art Festival was the highlight of January. Mary Hooper, sixth grader, was awarded a second prize for her fudge.

In February, the troop had an overnight at Palo Alto Scout House.

On February 5, Rhonda Huff, Carol Mason, Barbara Fortuna, and Mary Hooper represented the troop in an erosion project by planting a ground cover of ice plants at Sky Lark Ranch under the direction of Elenor Russell.

The troop made program covers for a fund-raising dance at Della Maggiore School and will help the school with an Easter Egg Hunt coming soon.

March was cookie time, and cookie chairman Bonnie Hermle was kept very busy as 737 boxes of cookies were sold by Barbara Fortuna, Christine Randayzo, Evelyn Skoff, Karen Hermle, Carol Mason, Sarah Bergman, Diane Heisinger, Joan Collver, Candi James, Debbie James, Rhonda Huff, Mary Hooper, Dawn Christina, Sherrie Curtiss, Pat Avila, Jodie Beireis, Mary Monahan, Eileen Monahan, and Suzanne Munoz.

Top salesgirl was Barbara Fortuna selling 15 cases. That's a lot of cookies.

To show appreciation for their leader, Ardie Flanagan, the troop presented her with a cake and charm bracelet for her birthday.

Future plans include a Court of Awards, singing at Eastridge, eat-out at Pizza Hut, along with many more activities.

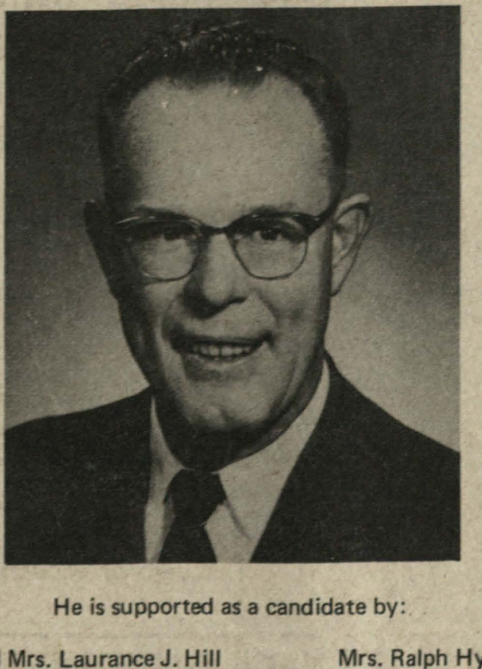
Club installs new officers

Dig 'N' Dream Garden Club will hold a luncheon-meeting on Wednesday, April 5, at noon in Villa Felice in Los Gatos.

Following the luncheon will be a short business meeting and installation of new officers, conducted by Mrs. Joseph Aversente, District Garden Counselor.

New officers include Mrs. Harry Rhae, president; Mrs. Glenn Munson, vice-president; Mrs. Charles Buran, secretary and Mrs. Domenick Celano, treasurer.

RE–ELECT
DEAN CHAMBERLIN
City Councilman



He is supported as a candidate by:

Mr. and Mrs. Laurance J. Hill
Dr. and Mrs. Alan R. Goozee
Mr. and Mrs. Clarence F. Helmbold

Annual health fair slated

The 1972 Santa Clara County Health Fair, scheduled for April 15 and 16 at De Anza College in Cupertino, will have as its theme, "Careers That Count," featuring exhibits on careers available in the allied health professions.

No admission will be charged for the Health Fair, which will be from 10 a.m. until 7 p.m., Saturday, April 15, and 10 a.m. until 5 p.m. Sunday, April 16. It is being staged as a public service by the Santa Clara County Medical Society and its Woman's Auxiliary.

"Careers That Count" was selected as a theme because meaningful careers are being sought by today's generation, as well as by many older persons looking for a second career, according to Mrs. Donald A. Peck of Saratoga, general chairman of the Health Fair. Mrs. Peck is working with an advisory committee from the Medical Society made up of Dr. Mansfield F. W. Smith and Dr. Francis Stutzman of San Jose and Dr. Richard P. Alexander of Mountain View.

DANIEL CAMPOS

Campos assumes SER post

Daniel Campos, 819 Chapman Dr., was elected national chairman of the Service Employment Redevelopment, (SER) Board of Directors during a recent meeting in Nebraska.

Former state and national chairman of the American GI Forum, Campos is crisscrossing the nation in travels as part of his new duties for SER.

A successful manpower-self help project, SER is designed to widen employment opportunities for Mexican and Spanish Americans.

Funded primarily by an 8.6 million contract with the Department of Labor, SER is currently operating in California, Texas, Colorado, New Mexico and Arizona.

Campos is giving his family a pattern for leadership; his daughter, Becky, is chairman of the Campbell Youth Commission; his son David, an eighth grader at St. Lucy's, is a Campbell Press carrier.

RETIRED REPORT

Report of a recent White House conference involving the American Association of Retired Persons, AARP, will be brought by Mrs. Vera Soderstrom, state director, to that group's Saratoga Chapter 760 on Friday, March 31 at 10:30 a.m. at Richards Hall, Saratoga Federated Church, Saratoga-Los Gatos Rd.

EROSION

A river tends to erode its concave banks and to deposit on its convex banks.

Rejoice Together in Church This Easter

The glory of Easter....the story of our Christ's rebirth. It is a true love story, one that will live forever. Sing words of praise and earnest devotion, this Eastertide, and keep them soulfully meaningful throughout the year. With adoration and jubilation in our hearts, and sincere prayers of thankfulness, let us celebrate the more joyful time of the year together. A blessed Easter to all mankind. May it be a time for brotherly love, peace and celebration.

Starting on Palm Sunday, local churches have scheduled special Holy Week services which will culminate Easter Sunday, April 2, with the celebration of Christ's resurrection.

Members of many different denominations will join in worship early Easter Sunday at a traditional Sunrise Service at 6 a.m. atop "Sunrise Hill" in Oak Hill Memorial Park.

Greeting the sunrise will be a host of church choirs singing Handel's joyous "Hallelujah Chorus."

COMBINED OBSERVANCE

Local churches will combine Good Friday, March 31, for a series of meditations in the Campbell Congregational Church, 400 W. Campbell Avenue.

"Faces Around the Cross" is the theme of the brief pastoral messages, which will be divided into five segments so worshippers may attend one or more of the half-hour periods.

The sermonettes, planned for 12:30 to 2:30, will be brought by Rev. Anthony Wayne Myers, Congregational; Rev. Roland Wiederanders, Zion Lutheran Church; Rev. Foster Shannon, Immanuel United Presbyterian; Rev. William D. Gould, First United Methodist and Rev. Jerry Angove, Roselawn United Methodist.

Choirs and special music from participating churches will enhance the two hour program. Offerings will be used for the Santa Clara County Jail and Juvenile Chaplaincies.

CONGREGATIONAL CHURCH

Another Holy Week observance of the Congregational Church will be a Lenten potluck dinner at 6:30 p.m. on Maundy Thursday, March 30. The dinner will be followed by a table with a demonstration of Passover rituals and the serving of the Lord's Supper.

A single Celebration of Easter is planned by the church at 10 a.m. Rev. Anthony Wayne Myers will speak on the "Resurrected Man." The morning's program also includes choral music, a children's story, and scripture readings. A special Easter coffee hour follows the service.

The church's young people meet at 5 a.m. to attend the Sunrise Service at Oak Hill Memorial Park. The teens will come back to the Congregational Fellowship Hall for a breakfast at 7:30 a.m.

ASSEMBLY OF GOD

Easter worship will take the form of three services at the Assembly of God Church, 1870 Winchester Blvd.

A special children's program and a Biblical resurrection lesson with junior choir is planned for all ages during Sunday school at 9:45 a.m.

Rev. Herbert A. Johnson will have "Because He Lives" as the sermon topic for the 11 a.m. service.

Easter music includes the choir's rendition of Handel's "Hallelujah Chorus," congregational singing and a solo by Mrs. Alice Johnson.

Members of the congregation will also meet at 7:30 p.m. for an Easter evening service.

ST. LUCY'S CHURCH

Beginning with Holy Thursday, St. Lucy's Church, 2350 Winchester Blvd., will have services each day until Easter.

An 8 a.m. morning mass and an 8 p.m. celebration of the Lord's Supper is planned Thursday with an Agape after the evening service.

Good Friday will be observed with a 1:30 p.m. Celebration of Christ's Passion and a 7:30 p.m. Pre-Pashal Pennance Service.

Easter Vigil, one of the Catholic churches' most important services, will be held Holy Saturday, April 1 at 9 p.m.

St. Lucy's priests Leonard W. Bose, Henry Boisvert, G. Robert Leger, Philip Borja and Peter Chirico will direct the Solemnity of Resurrection Masses at 7:00–8:30, 9:45, 11 a.m. and 12:15 p.m., Easter Sunday.

The choir will perform original works by Paul F. Page, the church's organist and choir director, at the Thursday, Friday, Saturday evening services and 9:45 Sunday gathering.

FIRST UNITED METHODIST CHURCH

The sanctuary choir will sing "Breaking of the Bread" and the youth choir will raise their voices in "I am the Ressurrection" during a 7 p.m. folk mass communion on Maundy Thursday, at the First United Methodist Church, 1675 Winchester Blvd.

Easter sermon by the church's pastor, Rev. William (Ben) Gould is "There's a Great Day Coming."

Special music will be sung by the Gospel Temple Choir at the 7:30 a.m. service.

The other two Easter Sunday programs at 9 and 10:30 a.m., will be enhanced with music by the youth choir, the combined sanctuary and youth choirs, sanctuary singing and a brass trio.

FREE WILL BAPTIST

The congregation of the Free Will Baptist Church, 157 Rincon Ave., will hear the first sermon of their incoming pastor, Rev. James Clark, on Easter Sunday at 11 a.m.

Formerly of the Newark Baptist Church, Rev. James Clark is replacing Rev. Wilburn Clark. The church will welcome their new minister with an Easter Sunday luncheon.

Two California Christian College coeds will provide music for the noon reception.

NEW COMMUNITY OF FAITH

Church members will open their Bibles around tables with wine and bread at the Maundy Thursday candlelight communion of the New Community of Faith, 6350 Rainbow Dr.

Easter celebrations start at 9:30 a.m., April 2, with an informal "come as you are" service, with guitar music.

Evelyn Merklinghause, director, will lead the church choir at the 11 a.m. service. At the 6:30 p.m. service, small children will form a circle on the floor and a time of discussion will be featured.

TRINITY PRESBYTERIAN CHURCH

A choral anthem will be sung and the Last Supper observed via a special communion at the 7:30 p.m. Maundy Thursday service of the Trinity Presbyterian Church, 3151 Union Avenue.

The reception of several young people into full church membership is a feature of the Easter Sunday service at 10 a.m.

IMMANUEL UNITED PRESBYTERIAN CHURCH

Rev. Foster Shannon will bring a brief meditation to the Maundy Thursday communion service of the Immanuel United Presbyterian Church, Payne Ave. and San Tomas Expressway.

Music will be provided by the youth and chancel choirs at the Easter Sunday services, 8:15 and 10:30 a.m. Sermon topic for Easter Sunday is "Jesus, the Life."

ST. LUCY'S CHURCH
CAMPBELL, CALIFORNIA

Holy Week - 1972

HOLY THURSDAY: March 30.
8 a.m. (Only morning Mass.)

GETTING IN CONDITION

"I think the program is worthwhile and if they keep up with it they will see some real results in a couple of weeks," said coach Holland, head P.E. coach and assistant football coach.

Holland referred to a program where those who wish may come out and lift weights and run and generally get into better shape.

The program consists basically of a lot of hard work and generally a lot of lifting on the universal gym and going through the grid exercises.

The different exercises that are done on the universal gym are: bench press, toe raises, sit-ups, dead lift, leg extensions and curls, squats and neck exercises.

In addition there are the grid exercises which consist of a selection of foot movements that are done on or in checker squares on the floor.

"The grid work is tremendous; some have increased their time by five seconds in the different grid exercises," said Coach Sweeney, advisor and assistant football coach.

There are twelve different agility exercises that can be done using these squares on the floor.

Last, but not least, there is the crab walk and bear walk (otherwise known as the bear crawl because that is what you do—crawl on all fours with your arms extended and your hands resting on the ground behind you.) You then proceed to your assigned destination.

The crab walk is much the same, but with your face toward the sky and your back parallel to the ground.

During the break-in period (about the first two weeks), the lifters lifted five days a week working on the lower body some days and on the upper body other days.

Mostly football players and some wrestlers are involved, some thirty-six people in total. A lot of people that will be participating in this or a similar program are currently involved in another sport.

After the students are broken in, they lift three days a week and the other two days, Tuesday and Friday go out for some general exercise, playing tag football or baseball. "This makes good use of the weather and also gives the students a break from being cooped up inside all the time," said head football coach Gaatiss.

Supervising this hour or hour and a half are coaches Sweeney and Andree who are teachers and football coaches.

A program similar to this one now in effect is going to be set up to keep the guys in shape over the summer.

The students who play sports and have been participating in these or the summer program will have a definite advantage over those students who loaf around and do not get their bodies into condition for the up coming season of sports.

TENNIS TEAM WIN

March 23, Camden's varsity tennis team's chances for a victory over the Longhorns at Leigh looked vague.

The Cougars opened the match with the first three varsity players losing their matches.

The two varsity single players who battled out wins for the team were Cassey Sullivan, who won, 6-1, 2-6, 6-2 and Mike Weyers winning 6-4 and 6-2.

At this point a Camden victory looked very far in the distance with the teams match score at 2-3.

This left it all up to two varsity doubles teams who battled it out to the very end for a final victory over Leigh, 4-3, in the varsity competition.

The first varsity doubles team consists of Dennis Swan and Jamie Richardson. Losing the first set, 4-6, they fought back for two other set score wins of 6-2 and 6-2.

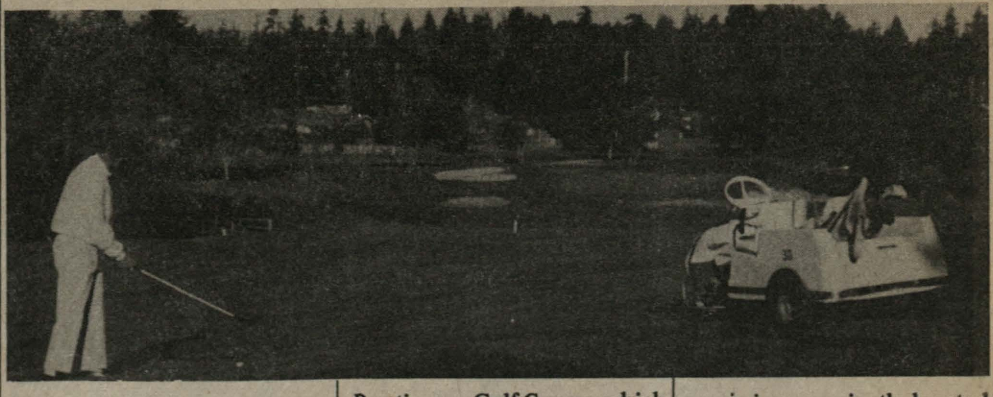
This gave the Cougars a tie game match score of 3-3, and also left all the pressure on the last remaining varsity doubles squad of Larry Kondo and Peter Bolino.

With valiant efforts of both players they won, 6-3, 6-2, thus also giving the Camden Cougars the win in varsity competition.

In the J.V. competition the team took a 4-1 win over Leigh. Winning this match was Mark Richardson, 6-3, 6-3. Also taking their games were Greg Addington winning 6-2, 4-6, and 6-0 and Dave Heath, winning his match with a 6-3, 6-3.

RICH GRAVE

In 1908, treasures of gems, statues of pearl, jade, silver and gold estimated to be worth $750 million were buried with Tzu Hsi, the last Empress of China.



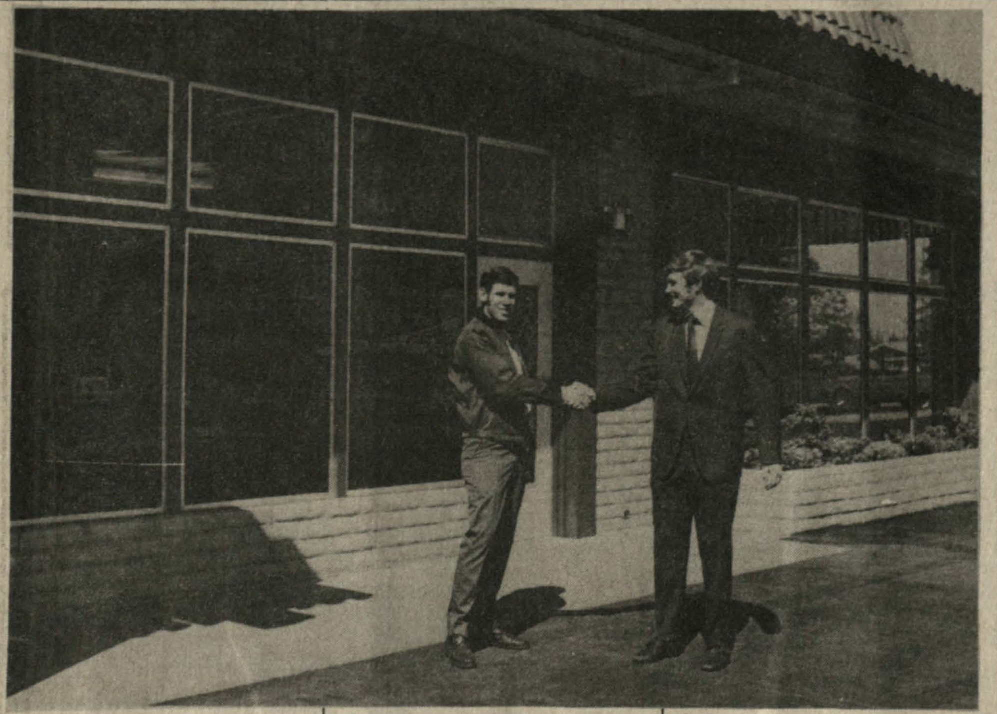
127-ACRE COURSE---It might surprise a number of locals and vacationers that Santa Cruz, an area known for its sun and surf, is also a good place to golf. The 127-acre Pasatiempo Golf Course, which lies in a secluded green area off Highway 17, offers 18 holes of natural terrain in a fresh climate infused with the scent of sea and pines. The course is conveniently located for shopping, dining, sailing and swimming. Groups and families are welcome at the internationally known course.

Jeanette Watson

Consider Rusty Hammer for Councilman. He has the concern and interest needed for this important position and will serve his community well.

Sincerely,
Court and Jeanette Watson

Court Watson



NEW STATION ON BASCOM--Jim Holmes, Jr., right, representing the Texaco corporation, welcomes Milt Chrisman to the newest Texaco dealership on Bascom Ave. The new station at the corner of Bascom Avenue and Dry Creek Road is a complete new departure in service station design.

Designed to conform with the natural environment of the area, the new station embodies the latest ideas in developing complete harmony with ecology. Trees growing on the property, including an apricot and an apple tree, were left standing. Approaches to the service rooms are obscured from street view. An attractive customer room is provided for those waiting for service.

Another feature of the new station are the magnificent rest rooms, incorporating every modern feature of sanitation and comfort. The architectural scheme may be said to be a modernized version of early California Spanish design.

Dear Voter:
Over the past few weeks of this campaign, I have been talking with homeowners, businessmen, people of industry—men and women with a deep concern about our city's future.
Where is our new library? Where is Rincon Park? Another high density apartment development? What are we doing for our youth? What are we doing for the senior citizens? What are we going to do about taxes?
On these and other issues we need more than a speech.

IT'S TIME FOR ACTION!

WE MUST COMPLETE our library, Rincon Park, and Neighborhood Recreation Centers. We have the funds to do what we pledged to do on these projects. Let's get moving!

WE MUST ORGANIZE a Citizen's Task Force to assess the value of super-urbanized growth now that our community has been able to visualize its impact. We must recognize the community desire for a better way of life.

WE MUST WORK with our youth and our senior citizens to build centers to meet their social and recreational needs.

WE MUST STOP imprudent spending on future city programs. Taxes must be reasonable and equitable.

FOR LEADERSHIP IN THE 70's

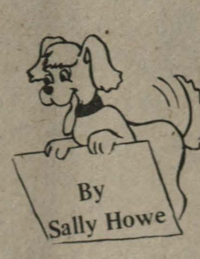
Bringing up fido



By Sally Howe

Fido hasn't been around for several weeks, partly because of all the activity at his house.

Fido is the proud papa of six furry bundles!

Unfortunately, he hasn't been too welcome in the nursery to date, but he has been promised that when his offsprings are about six weeks old, he'll get to enjoy their company, and, in fact, will probably be put in charge of the whole crew.

Fido's wife is an exacting mother. She had no complications during her pregnancy and whelping but has learned that, contrary to her usual habits, she is offered, and appreciates, three good meals a day, including dry kibble, cottage cheese and meat. (Six babies require her to produce a lot of nourishment.)

She also has to make many more trips outside and enjoys the pan of fresh water a few steps from her whelping box.

She was somewhat upset the day the veterinarian removed the tiny dewclaws from the puppies, but her examination of each one following the minor surgery reassured her that they weren't permanently harmed.

Mrs. Fido was also concerned when her owner took the puppies, one by one, and applied a tiny fingernail scissors to each toe.

She later was grateful for the claw cutting when she realized that the toenails were what had been making her belly sore when the puppies kneaded against it to get their milk.

At two weeks all the puppies had their eyes open and were crawling around their box. One even barked!

This was weaning time. Even at two weeks dogs can learn to lap--or gobble!

Fido was invited to take his wife outside for a walk, so that neither of them would try to eat the puppies special diet.

Their first food was raw lean ground beef. Taken individually and hand-fed, it didn't take the little rascals but a few seconds to put their remarkable noses into operation.

Each puppy was given a small measured amount, so as not to create any tummyaches. Later that day they were offered food in a pan. High protein cereal diluted with warm water to make a sloppy paste was not as appealing as ground beef, but several of them lapped up a little.

This feeding method continued for several days. One day, they were taken from their box and placed on newspapers in front of their cereal dish. One inquisitive fellow crawled away and came upon a dish of cottage cheese left for Mrs. Fido.

Good? Delicious! And the puppies found fare which was excellent nutritionally and which apparently suited their gourmet tastes.

A for your thoughts

by Edith Bonnet

WHAT'S IN A NAME

It's always interesting to thumb through the telephone books when they are first delivered, and this year is no exception. Our local phone book has its share of humorous names.

There are three Mr. Americans, four Woodheads, and a whole bunch of Woodhouses. With three Whistlers listed there must be a Whistler's mother around somewhere. One Mr. Upright is listed just above Mr. Upstill. Food is well represented with Misters Turnipseed, Orange, Bean and Lima.

From the animal kingdom comes Lion, Beaver, Frog and Bear, and one H.E. Wolf. There's a Mr. and Mrs. Tickle and a Mr. Lillywhite, a Better and Best, a Funk but no Wagnalls.

ONE TEASPOON FOUR TIMES A DAY

Stuart Urbach, M.D. in Medical Economics explains how he got a chuckle and shot of humility, while out for an evening's entertainment. "Upon entering a movie theater one evening, I went up to a bashful looking young usher, handed him my card identifying me as a doctor, and asked if he would please call me if necessary. He looked at my card, then said diffidently, 'Well, I guess so. But I hardly ever get sick.' "

THE CASE OF THE SPLIT PERSONALITY

A young woman, obviously ready for the delivery room any minute, attended a demonstration panel for a self-help aftercare group for former nervous and mental patients. She had had a difficult last few weeks of pregnancy, having been in and out of the hospital seven or eight times. She had been admitted the first time for premature labor and was treated with alcohol I.V. solutions. All together it had been a rough six weeks.

During her example she told about the tension that both she and her husband had been under, and how she had handled it. During the question and answer period, a young intern asked what would have happened during a crisis like this without her previous training. "Well, the young mother replied, I guess they would have delivered half of me to the labor room and sent the other half to the psycho ward.

TOUCH OF THE LIGHT

The best way to secure future happiness is to be as happy as is rightfully possible today.

....Charles W. Eliot

Club supports tapes for blind project

The widely active West Valley Federated Women's Club has sparked public enthusiasm for their current project---leading blind youngsters out of the dark.

Their project, "Volunteer Voices", aims at making the world come alive for blind and disabled children via a weekly story hour featuring cassette tapes.

Handicapped pre-schoolers, along with normal children of blind and disabled parents who come to the Santa Clara County Blind Center 9:30 to 11:30 a.m. each Tuesday hear lively stories, music and talks by interesting professionals.

Besides listening to the tapes, recorded just for them and tailored to their experience, the youngsters have fun with singing and refreshments, and can browse through the Center's Braille library while their parents are given rare free time.

Though "Volunteer Voices" was not much more than an idea for several years, the public finally caught the enthusiasm of the Women's Club.

People from all walks of life have donated much in recent months, making tapes to enlarge the world of blind pre-schoolers.

As the project has snowballed the club's goals have widened to include plans for a tape-cassette lending library for families of handicapped.

Club members also hope to supply tapes for the pediatric wards of all valley hosptials.

To carry out these plans, the group is hoping to build a soundproof recording studio at the Blind Center, 101 N. Bascom.

Yet their biggest need is for volunteers to record children's stories and lively music, often a time-consuming process.

Among those who have made tapes for "Volunteer Voices" are several blind high school students who have recorded from Braille.

Susan Bailey, sophomore at Westmont High School, has recorded a tape with a story, flute music, and songs with guitar; a special message of joy to children who are blind, like herself.

The talented blind teenager, who marches as a flutist in the Westmont Band, was recently given a $150 musical scholarship by the West Valley Federated Women's Club.

"It's a way of saying "we think you're pretty wonderful," explained Mrs. Phyllis Monahan, publicity chairman for the club.

Other individuals and groups involved with the taping program include:

–Oak Grove High School students, who recorded over 30 tapes during Christmas vacation.

–The Seniors' Youth Fellowship of the Church of the Valley, now taping "Bad Breath Basilek."

–Phyllis McCallum who wrote the fanciful "Bad Breath Basilek" wrote and released "Basilek" and four other plays for use in recording.

–The retired teaching nuns of the Holy Family Convent of San Jose.

–Pupils and choir at Blackford Elementary School.

–Lower grade students at St. Lucy's School, who are saving money for the project.

–The Rainbow Assembly, which donated cookies for refreshments at the Blind Center.

–The Valley Lions Club, who donated most of the tapes and recording equipment.

–The San Jose Junior Women's Club, sponsored by the West Valley Federated Women's Club, donated tapes to the project.

–Mrs. Sylvia Solar, who is revising the National Braille Taping Manual, for use by those making recordings.

The program has received the support of Mrs. William Mandriquez, director of the Blind Center; Dr. John C. Carroll; Mayor Norman Mineta; Superior Court Judge Joseph P. Kelly; Senator Alfred Alquist and Ben Sanamatsu, itinerant blind teacher of blind students within the Campbell School District.

Though the West Valley Federated Women's Club has seen their taping project grow from wobbly and nearly stillborn, to a movement supported by many; one problem remains---reaching the appropriate children.

The club has difficulty finding out who the blind children are, since records on them are either not available or very carefully guarded.

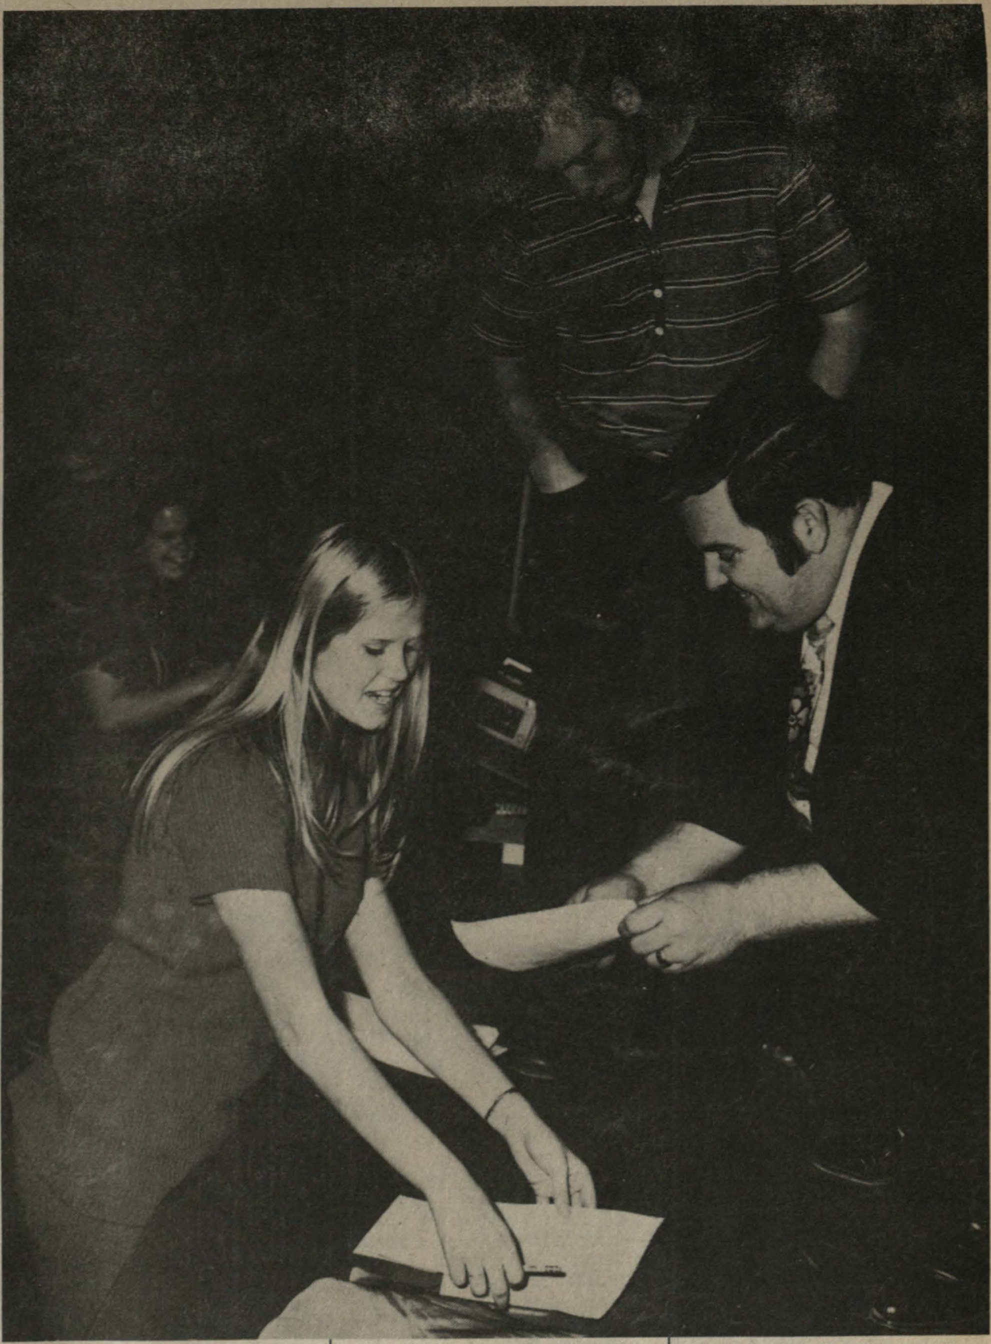
Persuading parents to bring their child to the center is also a problem, since families of blind youngsters are often reticent about any kind of involvement.

A group of parents of blind teenagers affiliated with the Center will encourage parents of blind pre-schoolers to come to "Volunteer Voices".

The parents of visually handicapped will break varriers of guilt and isolation by visiting families on a personal, door-to-door basis.

Anyone interested in helping the program in any way may contact the Blind Center, 101 N. Bascom Ave., phone 295-4016.

CLUB MEMBERS---Members of West Valley Federated Women's Club include back, left to right, Mrs. Sherman Schroeder, Mrs. Donald Williams, president, Mrs. Noel Willyoung, Mrs. Art McGee, Mrs. Wayne Loftis, Mrs. Donald Ayer, Mrs. L. Robert Lewis. Center row are Mrs. Edward Forsyth and Mrs. Robert McElligott and Mrs. Harvey Lawrence, Loma Prieta district president. Seated are Mrs. John Ellenberger, Mrs. Thomas Monahan and Mrs. Joseph Peer. The club members were guests of the Country Women's Club of Campbell at a recent guest day.



TAPES FOR BLIND---Drama students and teacher of Oak Grove High prepare script for taping children's stories. The tapes are part of a lending library for the blind, which is being developed by the West Valley Federated Women's Club, and will be housed in the Santa Clara Valley Blind Center.

RE–ELECT
DEAN CHAMBERLIN
City Councilman

He is supported as a candidate by:

Mr. and Mrs. Ralph Weymouth
Mr. and Mrs. Larry Critchlow
Mr. and Mrs. Frank Neuterman
Mr. and Mrs. Louis Brandon
Ira Kirkorian
Frank R. Kukuk
Robert A. Bullard, Jr.
Patrick H. Baymiller

PROMOTED

Robert W. Bradford, son of Mr. and Mrs. Wesley Bradford, has been promoted to staff sergeant in the U. S. Air Force.

Sergeant Bradford is an instructor in the communications and missile training course at Sheppard AFB, Tex.

The sergeant is a 1967 graduate of Westmont High School.

His wife, Diane, is the daughter of Mr. and Mrs. Stanis Rohde, Campbell.

Language confab set at college

More than 250 persons are expected to attend when West Valley College's foreign language department hosts a statewide conference for foreign language instructors April 8.

The day-long workshop will deal with various aspects of the book "Foreign Language Framework for California Public Schools" as released by the California State Department of Education.

Dr. Orean Kessler, assistant director of secondary curriculum for Santa Clara County, is directing the conference and members of West Valley's language honor society, Alpha Mu Gamma, will act as guides during the day, along with other students from the college.

BIBLE STUDY

A small group of Camden High School students are meeting Tuesday mornings at 6 a.m. for a Bible study sponsored by the Trinity Presbyterian Church, 3151 Union Ave.

CONCERT

The Los Gatos-Saratoga Symphony, under the direction of John O'Neill, will present the fourth program of the season on Saturday, April 8 at 8:15 p.m. in the First United Presbyterian Church, Shannon Rd.

The admission free concert will also be given Sunday, April 9 at 3 p.m. in the Saratoga Civic Theater, Fruitvale Rd.

HE KNOWS CARS!---Shown above is John Brazzelo of Dick Whalen's Regal Station on W. Campbell avenue presenting a $20 bill to Don Hansen of 4302 Hilton Ave. Don earned his $20 by being the first person to come in and identify the "Mystery Car" in Dick Whalen's ad in the Campbell Press. Name of the car? It's a 1927 Whippet.

Canteen ceases college service

The West Valley College board of trustees recently authorized Superintendent James P. Hardy to receive proposals for food operations since the Canteen Corporation, currently in business at the college's Saratoga campus, will terminate its services on May 6.

Canteen Corporation exercised its option of terminating the contract after trustees refused to grant an additional subsidy of $14,500 for its operation in late December.

The original contract had called for the college and company to share 50-50 in any losses or profits, but the losses were greater than the $2,000 loss originally predicted by Canteen for both the college and itself.

According to Superintendent James P. Hardy, authorized by the trustees to receive proposals for food operations, the vending contracts for both of the college's campuses will come up for renewal in August, 1973.

Hardy did not want to tie the college to a contract beyond that date, in the hope that one company will then bid for operations at both campuses.

PSYCHOLOGY DEGREE

Catherine J. Parker, former Campbellite and a social psychology major at the University of California, Davis, is one of over 300 UCD students eligible to graduate in June with degrees in their respective fields.

LEGAL NOTICE

NOTICE INVITING SEALED PROPOSALS OR BIDS
COUNTY SANITATION DISTRICT NO. 4 of SANTA CLARA COUNTY, CALIFORNIA
SANITARY SEWERAGE PROJECT NO. 1972-1
UNITS 1 and 2

Pursuant to the Municipal Improvement Act of 1913, and the resolution directing this notice adopted on March 9, 1972, by the Board of Directors of the County Sanitation District No. 4 of Santa Clara County, said Board invites sealed proposals or bids for the construction of sanitary sewer mains, wye branches, risers, manholes and sewer laterals, as more particularly described in Resolution of Intention No. 72.3.31, adopted by said Board on March 9, 1972, which resolutions are on file in the office of the District Secretary and to which reference is hereby expressly made for a more particular description of that portion of the work to be done which is included in the assessment district.

All of said work is to be done at the places and in the particular locations, of the forms, sizes, dimensions and materials, and to the lines, grades and elevations as shown and delineated upon the plans, profiles and specifications made therefor and preliminarily approved by said Board on March 9, 1972. Bids are solicited for work Units 1 and 2 as shown in said plans and specifications.

Payments will be made in cash by said District to the Contractor in accordance with the provisions of the specifications, and on itemized estimates duly certified and approved by the District Manager and Engineer submitted in accordance therewith, based on labor and materials incorporated into said work during the preceding month by the Contractor. The District will advance the necessary funds to make the progress payments from the General Fund pending receipt of funds from the sale of bonds to represent unpaid assessments. This provision supersedes any provision to the contrary set forth in subparagraph (a) of Paragraph 37 of Part II of the Special Conditions. District shall retain ten percent (10%) of the amount of each such estimate, and the accumulation of said amounts so retained from said progressive payments will be paid to said Contractor thirty-five (35) days after the completion and acceptance of said work by said District Manager and Engineer and said Board of Directors.

Notice is hereby given that on March 9, 1972, the Board adopted the general prevailing rate of per diem wages to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which is available to any interested party on request at the principal office of the District at 100 East Sunnyoaks Avenue (P.O. Box 368) Campbell, California 95008.

All proposals or bids shall be accompanied by cash, a cashier's or certified check payable to the order of the District Secretary, amounting to ten percent (10%) of the bid, or by a bond in said amount and payable to said District signed by the bidder and a corporate surety, or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said District in case the bidder depositing the same does not, within 15 days after written notice that the contract has been awarded to him, enter into the contract with the District.

The Contractor shall furnish a surety bond in an amount equal to one hundred percent (100%) of the Contract price as security for the faithful performance of this Contract and shall furnish a separate bond in an amount at least equal to one hundred percent, (100%) of the Contract price as security for the payment of all persons performing labor and furnishing materials in connection with this Contract.

Said sealed proposals shall be delivered to the District Manager and Engineer on or before 2:00 o'clock p.m. on Tuesday, the 11th day of April, 1972, at 100 East Sunnyoaks Avenue, P.O. Box 368, Campbell, California, 95008, said time being at least fourteen days from the time of first publication of this notice. Bids will be publicly opened, examined and declared on said day and hour. Said bids will be referred to and considered by the Board at its meeting at 8:00 o'clock p.m. on Thursday, the 13th day of April, 1972.

A copy of the plans and specifications may be obtained from County Sanitation District No. 4, 100 East Sunnyoaks Avenue, P.O. Box 368, Campbell, California, 95008, upon deposit therefor of $15.00, $10.00 of which will be refunded if said plans and specifications are returned within 15 days after date of bid opening.

LEGAL NOTICE

RESOLUTION OF INTENTION OF BOARD OF SUPERVISORS OF COUNTY OF SANTA CLARA TO SELL REAL PROPERTY NO LONGER NEEDED FOR HIGHWAY PURPOSES

S.D. No. 4
Project San Tomas V
Parcel No. 2835-23B EX

WHEREAS, the County of Santa Clara has acquired for highway purposes certain real property no longer required for such purposes, such property being more fully described in Exhibit "A", attached hereto and made a part hereof by this reference;

NOW, THEREFORE, be it resolved that pursuant to the authority of Section 960.4 of the California Streets and Highways Code, the Board of Supervisors of the County of Santa Clara do hereby declare their intention to offer for sale the above-described real property.

BE IT FURTHER RESOLVED that such real property shall be sold subject to the following terms and conditions:

1. The minimum amount which will be accepted for the sale of such property shall be the sum of Seventy Thousand Dollars ($70,000.00).

2. The County of Santa Clara has purchased a preliminary title report from Title Insurance and Trust Co., 110 W. Taylor Street, San Jose, escrow number 341327. A copy of such preliminary title report is available for inspection at the title company. The successful bidder shall close the transaction through this escrow.

3. All sealed bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check, payable to the order of the County of Santa Clara in the amount of Seven Thousand Dollars ($7,000.00). All oral bids from persons not submitting written bids shall be accompanied by a deposit in the form of cash, cashier's check or certified check in the amount of ten per cent of the minimum price specified in this resolution. No bid shall be considered unless such deposit is enclosed or provided therewith.

4. Written bids shall be on forms provided by the County. Before accepting any written bid, the Board of Supervisors shall call for oral bids. Any oral bid must exceed by at least five per cent the highest written bid. In the absence of written bids, the minimum oral bid shall be not less than the amount specified in paragraph 1. Final acceptance of an oral bid shall not be made, however, unless such oral bid is reduced to writing and signed by the bidder on a form provided by the County.

No commission shall be paid unless there is contained in the sealed proposal the name of the licensed real estate broker to whom it shall be paid. No commission shall be paid in connection with a successful oral bid unless the oral bid, when reduced in writing, states the name of the licensed real estate broker to whom it shall be paid.

5. The County may accept the bid of the highest responsible bidder (written or oral), or may reject all bids, as well as waiving any and all defects or informalities in any and all such bids. In the event there is a tie as to the highest responsible bidder (written or oral), the successful bidder may by determined by lot, or by such other means as determined by the Board of Supervisors. Any sale may be cancelled by County at any time prior to the recordation of the deed, in which event all monies deposited shall be refunded without payment of interest. In determining the highest proposal, the Board shall not subtract therefrom any commission to be paid in accordance with paragraph 12 hereof.

6. Within sixty (60) days after date of acceptance of bid by the Board of Supervisors, the successful bidder shall:

(a) Pay the balance in full, or

(b) Increase his deposit to not less than twenty-five per cent (25%) of the amount of the bid by deposit with the title company referred to in paragraph 2.

The balance of the purchase price (in a maximum sum of seventy-five per cent of the amount of the bid) shall be evidenced by a promissory note by the successful bidder naming the County of Santa Clara as payee, such evidence of indebtedness to be secured by a first deed of trust covering the entire parcel being sold. Such note shall be payable on or before eighteen (18) months after date of recordation of deed. The deed of trust shall contain a clause providing for acceleration upon the alienation of title.

Upon delivery into escrow by bidder of all documents and money provided for in (a) or (b) above, County shall deliver into escrow a deed in favor of the successful bidder.

7. The promissory note shall bear interest at the rate of seven per cent per annum.

Said interest shall be paid to County quarterly on the first day of January, April, July and October, commencing with whichever of the last-mentioned months that follows the recordation date of the deed. Each quarterly interest payment shall be computed and prorated on the basis of the unpaid balance prevailing at the beginning of the quarterly period.

A late charge in the amount of 2% of the quarterly interest payment will be assessed if interest payment is not made within 10 calendar days after due date.

The principal obligation under the Note and Deed of Trust may be prepaid in full or in part at any time without penalty. Partial payments shall be applied against the principal obligation.

8. Until the recordation of the deed to the successful bidder, the successful bidder acquires no right, title or interest or equity in or to such real property.

9. A failure of the successful bidder to comply with any of the provisions of this resolution shall cause the County to terminate the sales proceeding and retain the deposit referred to in paragraph 3.

10. The sale shall be without warranty, express or implied, and shall be subject to all liens, easements and encumbrances, whether of record or not, as of the date of recordation of the deed. The County of Santa Clara does not guarantee the condition of the property, nor does it assume any responsibility for its conformance to codes or regulations of the State of California, or the city or county in which the property is located. It is the successful bidder's responsibility to determine all applicable building, planning and zoning regulations relative to the property. The property will be sold on an "as is" basis.

11. Any and all expenses incurred in the transfer of title to such property to the successful bidder, including title insurance, escrow charges and documentary stamp tax, shall be paid by the successful bidder, with the exception that the County of Santa Clara will pay for the preliminary title report previously referred to.

The successful bidder shall deposit into escrow a policy of fire insurance covering any improvements located on the property in an amount satisfactory to and naming the County of Santa Clara as coinsured.

12. In the event a commission is to be paid in accordance with the provisions of paragraph 4 above, County shall pay a licensed real estate broker commission in the maximum of six per cent of the purchase price, such commission, however, to be paid only in the event that the Board of Supervisors accepts a bid, only out of monies received by the County of Santa Clara for the sale of property, and only after recordation of the deed. Such commission shall be paid as follows:

(a) If the highest acceptable sealed bid is submitted by a licensed real estate broker, a commission of three per cent of the purchase price. In the event of a tie between two or more licensed real estate brokers as to the highest acceptable sealed bid, the commission of three per cent of the purchase price shall be equally divided between the brokers. No commission shall be paid if the highest acceptable sealed bid is not submitted by a licensed real estate broker. In the event of a tie between a licensed real estate broker and a bidder who submits a bid and is not a licensed real estate broker, as to the highest acceptable sealed bid, the licensed real estate broker shall be entitled to a commission of three per cent of the purchase price.

(b) Three per cent of the purchase price to the licensed real estate broker submitting the successful bid.

BE IT FURTHER RESOLVED that on April 26, 1972 at the hour of 10:00 o'clock a.m. at the office of the Clerk of the Board of Supervisors in Room 524 in the County Administration Building, 70 West Hedding Street, San Jose, California, 95110, is hereby fixed as the time and place at which sealed bids, in writing, for the purchase of such property will be received. The Board will open all such bids at a public meeting of the Board at the hour of 10:30 a.m., April 26, 1972, at the regular meeting place of the Board of Supervisors in the County Administration Building, 70 West Hedding Street, San Jose, California, and at which time and place oral bids will be received.

BE IT FURTHER RESOLVED that the Clerk of the Board of Supervisors shall publish this resolution pursuant to Section 6063 of the Government Code and shall post a copy of this resolution on the property and at two other locations customarily used by the County for the purpose of posting public notice.

PASSED AND ADOPTED BY THE BOARD OF SUPERVISORS of the County of Santa Clara, State of California, on March 7, 1972, by the following vote:
AYES: Supervisors: Mehrkens, Sanchez, Quinn, Calvo, Cortese.
NOES: Supervisors: None
ABSENT: Supervisors: None
Charles A. Quinn

EXHIBIT "A"

Parcel "A" as shown on that certain record of survey entitled "Record of Survey of the Lands of the County of Santa Clara in excess of Lands Required For Roadway Purposes", and filed for record in the office of the Recorder of the County of Santa Clara, State of California in Book 248 of Maps at page 23 and containing approximately 2.048 acres of land.

Excepting and reserving unto the County of Santa Clara any and all rights of ingress to or egress from the land herein conveyed over and across the following described lines thereof; South 52° 24' 20" West 43.21 feet, North 73° 51' 39" West 164.97 feet, North 65° 14' 53" West 287.90 feet, North 41° 16' 52" West 73.52 feet, the South boundary.

It is the purpose of the foregoing exception and reservation to provide that no easement of access shall attach or be appurtenant to the property hereby conveyed by reason of the fact that the same abuts upon a County expressway.

LEGAL NOTICE

NOTICE OF IMPROVEMENT SANITARY SEWERAGE PROJECT NO. 1972-1

NOTICE IS HEREBY GIVEN that on the 9th day of March, 1972, the Board of Directors of County Sanitation District No. 4 of Santa Clara County, California, adopted its Resolution of Intention No. 72.3.31, wherein it did declare that in its opinion the public interest and convenience required and that it was the intention of said Board to order the acquisitions and improvements in and for said District as more particularly described in Exhibit "A" hereto attached and incorporated herein by reference.

All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations shown and delineated on the plans, profiles and specifications preliminarily approved therefor by the Board of Directors of said District and on file for public inspection in the office of the District Secretary.

Notice is hereby given of the fact that in many cases said work and improvement will bring the finished surface of the ground to a grade different from the surface as it now exists, and that to said extent said grades will be changed and that said work will be done to said changed grades.

Said contemplated acquisitions and improvements, in the opinion of said Board, are of more than local or ordinary public benefit, and the costs and expenses thereof are made chargeable upon an assessment district, the exterior boundaries of which are the composite and consolidated area as more particularly shown on a map thereof on file in the office of the District Secretary, to which reference is hereby made for further particulars. Said map indicates by a boundary line the extent of the territory included in the proposed district and shall govern for all details as to the extent of the assessment district.

The descriptions of the acquisitions and improvements and the termini of the work contained in the Resolution of Intention are general in nature. All items of work do not necessarily extend for the full length of the description thereof. The plans and profiles of the work and maps and descriptions, as contained in the Engineer's report, shall be controlling as to the correct and detailed description thereof.

The estimated cost of the project is $104,307, of which an estimated $23,954 will be contributed by the District.

Notice is hereby given that serial bonds to represent unpaid assessments and bear interest at the rate of not to exceed 7% per annum, will be issued in the manner provided in the Improvement Bond Act of 1915 (Division 10 of the Streets and Highways Code), the last installment of which bonds shall mature not to exceed fourteen years from the second day of July next succeeding ten months from their date.

Except as herein otherwise provided for the issuance of bonds, said work shall be done pursuant to the Municipal Improvement Act of 1913.

Reference is hereby made to proceedings had pursuant to Division 4 of the Streets and Highways Code, all on file in the office of the District Secretary.

Notice is further given that the District Engineer, pursuant to said Act and said Resolution of Intention adopted pursuant thereto, did, on March 9, 1972, file with the District Secretary his report in writing on said acquisitions and improvements, consisting of plans, profiles, specifications, estimate of costs and incidental expenses, diagram and assessment, and maps and descriptions, and said Board did on said date consider and examine said report and by resolution preliminarily approved and confirmed same and ordered that said report stand as the report for the purpose of all subsequent proceedings had pursuant to said Resolution of Intention.

NOTICE IS FURTHER GIVEN that Thursday, the 13th day of April, 1972, at the hour of 8:00 o'clock P.M. of said day, in the regular meeting place of said Board, 100 East Sunnyoaks Avenue, Campbell, California, are the time and place appointed and fixed by said Board when and where it will consider and finally determine whether the public interest and convenience require said acquisitions and improvements, and when it will consider and determine whether the owners of a majority of the area of the property in the proposed assessment district have protested against said acquisitions and improvements or any portion thereof, and when and where it will consider and finally act upon the Engineer's report filed pursuant to said Resolution of Intention, and when and where it will hear all protests in relation to said proposed acquisitions and improvements, or to the grades at which said work will be done, or the extent of the assessment district, or to the Engineer's estimate of the costs and expenses thereof, or to the proposed diagram and assessment, or to the maps and descriptions, and that any person interested may file a written protest with the District Secretary at or before the time set for the hearing referred to herein.

Reference is hereby made to said Resolution of Intention and said report, including plans, profiles, specifications, estimate of costs, diagram and assessment, and maps and descriptions, for a more particular description of said acquisitions and improvements to be had and done, and for further particulars, all on file in the office of the District Secretary.

Dated: March 9, 1972.
/s/ DeLora Spence
District Secretary, County Sanitation, District No. 4 of Santa Clara County

EXHIBIT "A"

UNIT NO. 1 - (City of Campbell and County of Santa Clara)

(a) The construction of sanitary sewer mains, wye branches, risers, cleanouts, manholes and laterals, with cast iron manhole and riser frames and covers, in Crockett Avenue from its present southerly terminus northerly about 350 feet; in Margaret Lane from its present southerly terminus northerly about 210 feet; and in an easement to be acquired herein lying parallel and adjacent to the southerly line of Assessment Parcel No. 21 from San Tomas Aquino Road westerly about 80 feet.

(b) The acquisition of rights of service and use on behalf of the properties lying on both sides of San Tomas Aquino Road from a point about 250 feet easterly of Margaret Lane southerly about 500 feet.

(c) The acquisition of a right of service and use in the sanitary sewerage and sewage disposal facilities of County Sanitation District No. 4 of Santa Clara County, and the acquisition of all lands and easements, disposal and other rights, and the doing of all work and the construction of all improvements auxiliary to any of the above and necessary to complete the same.

UNIT NO. 2 - (City of Saratoga)

(a) The construction of a sanitary sewer force main in Mendelsohn Lane from an existing sewer main at the intersection of Hill Avenue easterly about 488 feet, together with the construction of a sewage pumping station near the intersection of Mendelsohn Lane and the Piedmont Road right-of-way.

(b) The construction of sanitary sewer mains, wye branches, risers, cleanouts, manholes and laterals, with cast iron manhole and riser frames and covers, in easements to be acquired herein, from said proposed pumping station generally southerly and southwesterly in the Piedmont Road right-of-way to the intersection of the Peach Hill Road right-of-way, thence generally westerly and southerly in the Wildcat Road right-of-way to the southerly corner of the line dividing proposed Assessment and Diagram Nos. 27 and 28; from a point about 225 feet southerly of proposed Man hole No. 1 in said Piedmont Road right-of-way line, in an easement to be acquired herein, easterly about 112 feet; and from proposed Manhole No. 3 in said Piedmont Road right-of-way line, in easements to be acquired herein, generally southerly along the rear lot lines of proposed Assessment and Diagram Nos. 31, 32 and 33, a distance of approximately 792 feet.

(c) The acquisition of a right of service and use in the sanitary sewerage and sewage disposal facilities of County Sanitation District No. 4 of Santa Clara County, and the acquisition of all lands and easements, disposal and other rights, and the doing of all work and the construction of all improvements auxiliary to any of the above and necessary to complete the same.

NOTICE OF UNIFICATION ELECTION
(Consolidated with Consolidated Primary Election)

NOTICE IS HEREBY GIVEN to the electors of the CAMBRIAN, CAMPBELL UNION, LUTHER BURBANK, MORELAND and UNION SCHOOL DISTRICTS and the CAMPBELL UNION HIGH SCHOOL DISTRICT of the County of Santa Clara, State of California, that in accordance with the provisions of Section 3100.7 and Article 6 of Chapter 10 of Division 5 of the Education Code, an election has been called by the Santa Clara County Superintendent of Schools, to be held on JUNE 6, 1972 and consolidated with the Consolidated Primary Election to be held on the same date, at which time there will be submitted to the qualified electors of the above named school districts the question of the adoption or rejection of the recommendations of the Santa Clara County Committee on School District Organization.

The recommendations provide for the electorate to decide upon the formation of a unified school district to comprise the above named school districts, the establishment of a seven-member governing board elected at large and the authorization of a maximum general purpose tax rate for the proposed new district of $4.362 as allowed by Education Code Section 3255.

The County Superintendent of Schools, by this Notice of Election, has called the election in accordance with the provisions of Education Code Section 3293.

SUPERIOR COURT OF THE STATE OF CALIFORNIA FOR THE COUNTY OF LOS ANGELES

In the Matter of the Estate of)
LEWIS W. CARPENTER,)
Deceased.)

NO. P 561,919

NOTICE OF INTENTION TO SELL REAL PROPERTY AT PRIVATE SALE

NOTICE IS HEREBY GIVEN that, subject to confirmation by the above entitled Superior Court, on March 28, 1972, at 9:15 A.M., or thereafter within the time allowed by law, the undersigned as Administrator of the estate of LEWIS W. CARPENTER, deceased, will sell at private sale to the highest and best net bidder on the terms and conditions hereinafter mentioned, all right, title, and interest of LEWIS W. CARPENTER, deceased, at the time of his death and all right, title, and interest that the estate has acquired in addition to that of decedent at the time of his death, in the real property located in the County of Santa Clara, State of California, described as follows:

All of Lot 90, as shown upon that certain Map entitled "Map of Subdivision 'A' Monte Vista", which map was filed for record in the office of the County Recorder of Santa Clara County, State of California on April 11, 1917 in Book P of Maps, at Page 20.

Bids or offers are invited for this property and must be in writing and will be received at the office of LANGFORD & BOHAN, attorneys for said Administrator at 4825 Torrance Boulevard, Suite 210, Torrance, California, 90503, or may be filed with the Clerk of said Superior Court, or delivered to the said Administrator personally, at any time after first publication of this notice and before making said sale.

The property will be sold on the following terms: Cash or part cash and part credit, the terms of such credit to be acceptable to the undersigned and to the Superior Court, ten percent of the amount bid to accompany the offer, said deposit to be returned to purchaser forthwith if bid is rejected or not confirmed by said Superior Court, cash or credit for balance of purchase price at close of escrow.

The undersigned reserves the right to reject any and all bids prior to entry of an order confirming the sale.

TRUSTEE'S SALE NO. 902719

NOTICE IS HEREBY GIVEN that on April 6, 1972 at the hour of 10:00 A.M. in the lobby of the office of the Transamerica Title Insurance Company at 17 North San Pedro, San Jose, California, TRANSAMERICA TITLE INSURANCE COMPANY, a California corporation, as present Trustee, will sell at public auction to the highest bidder for cash in lawful money of the United States, the following-described real property situated in the City of Campbell County of Santa Clara State of California, and described as follows, to-wit:

ALL OF LOT 15, as shown upon that certain Map entitled, "TRACT NO. 2924 being a portion of Lot 7 and 10 of Subdivision of the E.N. Parr Tract", which Map was filed for record in the office of the Recorder of the County of Santa Clara, State of California, on September 26, 1961 in Book 138 of Maps, at page 26.

More commonly known as: 892 Connie Drive, Campbell, California 95008.

SAID SALE will be made to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain deed of trust executed by OTIS M. ST. JOHN and LORA L. ST. JOHN, his wife to TRANSAMERICA Title Insurance Company, a California corporation, as Trustee, for the benefit and security of JAMES K. BEADNELL, as Beneficiary, dated November 25, 1970 and recorded December 3, 1970 in Book 9143 of Official Records of Santa Clara County at page 443.

THAT notice of breach of said obligation and election to sell said real property was recorded in the Office of the County Recorder of said Santa Clara County on November 10, 1971, in Book 9583 of Official Records at page 421.

THAT SAID SALE is made without covenant or warranty regarding title, possession or encumbrances, or as to insurability of title.

THE beneficiary or any other person or persons may purchase at said sale.

DATED this 9th day of March, 1972.

PARADE DECORATIONS--- City employees Hollis Morgan and Mike Amaya install colorful banners which will line Campbell Avenue for the first annual Easter Parade on Saturday.

Investigation continues in reported robbery-kidnap

Details of a robbery-kidnap that reportedly took place in Campbell on March 19 were being pieced together by Campbell police this week with the return of the victim.

According to the police department's report, Sgt. Jim Connelly discovered an automobile in the parking area of Wells Fargo Bank shortly before midnight on March 19. The motor of the vehicle was still running.

Investigation showed that the automobile belonged to Skip Eugene Wade, 39, of Foster City, an employee of Terrible Herbst Oil Co. Wade was reported to be on company business, making cash pickups at area service stations.

At the time, he was said to have over $2000 in collections. This figure was later changed to $4400.

In addition to the automobile's motor running, the driver's door of the vehicle was open and keys were in the lock of the night depository.

Two days later, the police department received a telephone call from a relative of Wade's, stating he had called from the San Diego area where he had apparently been turned loose by his captors.

Following his return to the area, Wade was interviewed by local police, who are still investigating the crime.

State to expend $1.4 million for mission campus of WVC

West Valley College's Mission Campus site came a little closer to reality Thursday night when trustees agreed to purchase two additional parcels.

This followed Governor Reagan's signing at noon Thursday of a bill authorizing the state's $1.4 million share of the cost of the site.

The bill (AB 532) was authored by Assemblyman Richard D. Hayden (22nd District), and co-authored by all other area legislators. It passed both houses of the state legislature without opposition.

Foster Lopes, clerk of the board and resident of Santa Clara, said of the signing "the people of Santa Clara are witnessing a further step in a cherished dream slowly coming true - a community college campus in their city".

West Valley purchased approximately 63 acres at a total cost of $1,080,000. The college already owns one parcel of 19 acres and the city of Santa Clara is holding an additional 19 acres in trust for the college.

Thursday night the board also authorized the county counsel to file condemnation proceedings on the three remaining public parcels. This action determines the date of value of the property and, according to Supt. James P. Hardy "does not in any way affect negotiations".

'Smoggy the Frog' to appear Saturday in Easter Parade

Campbell's first annual Easter Parade which takes place this Saturday, April 1, will also mark the first public appearance of "Smoggy the Frog", a symbolic creature according to Bruce Johnson of the Environmental Automotive Marketing Associates. The six-foot "frog", Johnson claims, is to lead the fight to do something about air pollution. Johnson is a Campbell High and San Jose State graduate.

"Smoggy's" main emphasis, Johnson explains, will be to "tell everybody that air pollution can be reduced by having their car's exhaust checked.

"Smoggy" claims, through his spokesman, that air pollution has become a major problem in Santa Clara Valley and the six-foot "frog" has taken a definite stand against it.

The "frog" claims that only those who are doing the polluting (people) can do anything about it and that is why, Johnson says, the "Smoggy" has taken his thoughts directly to the people.

Johnson explains that an artist has drawn "Smoggy's" picture driving a special ecology-mobile and the pictures have been printed on tee-shirts. He hopes that those who care about air pollution will wear the shirts whenever they want to prove that they are doing their part.

Johnson adds that "Smoggy the Frog" emphasises that the campaign is "a LEAP for mankind, let's exhaust air pollution."

The "Smoggy" tee-shirts or tank tops, according to Johnson, will be available at Valley Athletic Supply Co., 960 Camden Ave. The tee-shirts sell for $2.95 with 25-cents going to the Community Services Fund and the tank tops sell for $5 with 50-cents going into the fund.

RENO SHOW

John L. Weatherly, 1035 Shamrock Dr. will be among 200 exhibitors in the sixth annual Reno Rod and Custom Car Show, May 19 to 21 in Reno, Nevada.

Weatherly will place his 1965 Harley-Davidson Pan Head in competition

SHOW DECORATIONS---Members of St. Lucy's Mothers' Guild prepare decorations for the fashion show on Friday, April 21 at Kennelly Hall. Mrs. Dennis McEfee, decorations chairman, center, displays a dreaming doll which will be used to emphasize the theme "Dreams of the Everyday Housewife," for Mrs. Charles Bucher, left, and Mrs. David Tacchini, co-chairmen for the event.

"Daydreams" is mothers Guild fashion show theme

Champagne and dessert will be served on Friday, April 21 during the staging of "Dreams of the Everyday Housewife", the annual fashion show of St. Lucy's Mothers' Guild.

Fashions from Louanna's of the PruneYard and Smith's of Westgate will be shown starting at 8 p.m. in Kennelly Hall of St. Lucy's Church, 2350 Winchester Blvd.

Mrs. Charles Bucher, Mrs. David Tacchini, co-chairman, Mrs. Dennis McEfee, decorations and Mrs. Joseph Golden are coordinating activities for the event.

Mrs. Eric Wishmann will be fashion commentator.

Models are Mrs. John Scalmanini, Mrs. Jack Christian, Mrs. Edward Connelly, Mrs. Eldridge Schubert, Mrs. Daniel Campos, Mrs. James Calton, Mrs. Frank Lasecke, Mrs. Victor Horn, Mrs. Steuart Holcomb and Mrs. Paul Osborne. Young models are Jo Lynn Meduri, Catherine Watson, Joan Bumgartner, Colleen McCarthy, Debbie Grim and Jodi Tacchini.

Displaying men's fashions are Donald Burr, Campbell's Chief of Police, Frank Ybarra, Jean Hawkins and Leo Raiche.

Young escorts are Daniel Nagengast and Arthur Gonzales.

Tickets may be reserved by calling 377-4180.

Congress cites Marty for walk

Marty Mim Mack, 10-year-old Santa Clara boy who twice served as national poster child for the March of Dimes, has been recognized in the Congressional Record for leading the March 12 Walk-A-Thon against birth defects in Santa Clara County.

In remarks read by Congressman Don Edwards, Marty is cited for leading the Walk-A-Thon and walking seven miles. Marty, who was born without arms and with one leg shorter than the other, had vowed to cover one mile.

As the result of his efforts, his sponsors have paid more than $300, which will go as contributions to the March of Dimes.

Contributions made through persons making the walk are estimated at between $75,000 and $100,000, with tabulations still being made.

Lynn and David honeymoon in Hawaii

With the sixpence in her shoe that was carried by her mother for her wedding 27 years ago, Lynn Marie Wickstrom was claimed by David Walter Snyder in wedding services conducted by the Reverend William Walmsley at Calvin Presbyterian Church recently.

Carrying a bouquet of gardenias, stephanotis and baby's breath, Lynn wore a gown of full length white chiffon featuring a scoop neckline and three-quarter sleeves edged in double chiffon flounces with satin and lace encircling the empire waist.

Securing her elbow length illusion veil was a white chiffon bow edged with lace and seed pearls.

The daughter of Mrs. Leonard Wickstrom and the late husband, Leonard Wickstrom, Lynn was given in marriage by her grandfather, William F. Sclater of Campbell.

The groom, a Campbell resident, is the son of Mr. and Mrs. Owen H. Snyder, San Jose.

Serving the couple as attendants were Mrs. Kenneth Massa, matron of honor; Patricia Flaherty, Mrs. Gordon Maybury and Mrs. Diana Wiley, bridesmaids.

Best man was Steven Rochin and ushers were Owen Snyder, brother of the groom, Phil Smyth, and John Wagon.

Over 250 guests greeted the newlyweds in the church fellowship hall where Pamela Lum passed bridal favors to the wedding guests.

A graduate of Blackford High and West Valley College, the new Mrs. Snyder works for Campbell's Public Works Department. Her husband, a graduate of Leigh High School, who plans to earn an A.A. degree from West Valley College this June, works as a manager for the Bonanza Sirloin Pit in Campbell.

They will be making their new home in Campbell following a honeymoon in Hawaii.

MRS. DAVID WALTER SNYDER

FISH KITES --- Moreland kindergarteners Steven Erbst touches up his fish-shaped kite while Kathleen Harper and Robyn Fotuch look on.

Designing the Japanese kites was part of a Moreland School program to acquaint children with other cultures.

Fiesta enhances culture program

Using literature, art, music and a large dash of imagination, teachers at Moreland School attempt to simulate customs of other cultures.

Purpose of the culture training is to acquaint children in all grade levels with the heritage of America's minorities through activities that will stimulate and excite the pupils.

Sandra Moreira, sixth grade teacher, planned a Mexican fiesta, with colorful costumes, regional music and Mexican food provided by the parents.

The fiesta was a high point of her required course on Mexico.

Another facet of the culture training is a kindergarten unit on Japan, organized by Mrs. Maryevelyn Bartholomew, Mrs. Mary Jo Porter and Mrs. Gail Clark.

The teachers have their young charges sample Japanese food, remove their shoes before entering the "tea house" and learn several Japanese words.

RUMMAGE

The next rummage sale for the West Valley Progressive Seniors is scheduled for Friday and Saturday, May 12 and 13 in downtown Campbell.

Rebekah's sale benefits home

A miscellany of items from auto tires to fine china will be offered at the "Jewel to Junk" rummage sale sponsored by Josephine Rebekah Lodge 14 on Friday and Saturday, April 7 and 8 from 9 a.m. to 5 p.m. at 342 Campbell Ave.

Proceeds from the sale will benefit the Odd Fellow Children's Home in Gilroy.

The Lodge also donates money and time to the Heart Drive, the "Eye Bank", scholarships and the Youth Camp at Pinecrest, supported jointly by I.O.O.F. and Rebekahs.

For more information phone 294-1673.

Good Sam Auxiliary volunteers welcomed into membership

The Auxiliary of the Good Samaritan Hospital of Santa Clara Valley welcomed 105 provisional members into full membership status at an emblem presentation ceremony recently in the hospital chapel.

The program marked the completion of a six-month provisional period for 51 junior service members and 54 senior members.

Robert Kirk, hospital administrator, awarded the emblem to each member. Mrs. Hugh Morse, auxiliary membership chairman, introduced the members who will now be entitled to wear the emblem on the candy-striped or cherry red uniform which identifies the volunteer in the hospital.

Representing Campbell were Donna Adams, Ann Stangohr, Mrs. Ramon Hoyt, Mrs. Michael Rynhard and Mrs. Salvatore Tripoli.

The Good Samaritan Hospital is a non-profit community hospital at 15825 Samaritan Drive, San Jose. All volunteer activities in the hospital are under the direction of the Auxiliary which provides non-medical and non-technical services for patients of Los Gatos, Monte Sereno, Saratoga, San Jose, Santa Clara, Cupertino, Sunnyvale and Campbell.

BUSY GIRLS---Celeste Ward and Elizabeth Crawford, junior Girl Scouts of Troop 420, stitch blankets and quilts for layettes to give to the Red Cross while manning a table demonstrating their service project at the Westgate mall during a recent "Scouts in Action" day. Mrs. Leland Lopes, leader, supervises.

SCOUTS IN ACTION--Melanie Lucas and Joan Sullivan, junior scouts from Troop 178, demonstrate a triangular bandage for passersby at the "Scouts in Action" day at the Westgate mall. Girl Scouts involved in many activities spent the day demonstrating crafts and skills.

CONTEMPORARY ART

The contemporary oil paintings of Henry C. Thompson are now on exhibit at the three art galleries of Jeanne Cummings, located on Big Basin Way, Cox Avenue and in the Kirkwood Plaza.

Thompson's works include "Regatta into the Wind" and "Fresh Snow".

WVC offers Japanese

Taking a cue from the government's awakened interest in the Orient, West Valley College is offering a short course in Intermediate Conversational Japanese.

The ten-week course is designed to increase fluency and sophistication of expression for those who are already familiar with basic patterns of Japanese speech. Each lesson will be built around a basic dialogue dealing with a situation which a traveler in Japan is likely to encounter.

Mrs. Holly Davies, who holds a bachelor's degree in Japanese and who has taught English in Japan, will instruct the class.

The class is slated to begin Monday, April 3, 1972. Those interested in registering must call or write the Office of Community Services, 44 East Latimer Ave., Campbell, CA., 95008, phone 379-1733, ext. 58.

Museum Aids course utilizes many materials

A short course for museum aids, technicians and volunteers on "Museum Exhibits Interpretations" at West Valley College began March 14.

On succeeding Tuesday evenings from 7–10 p.m. studetns will practice exhibit construction, from a photographic story to an actual exhibit incorporating a full range of materials. Exhibits will vary from recorded history to natural history in demonstration.

Student work and existing museum examples will also be critiqued for their effectiveness of interpretation, their color schemes, design shapes and labeling techniques. Emphasis will also be given the care necessary in treatment and preservation of historical artifacts.

The course was developed by West Valley College's anthropology department and San Jose Historical Museum and is being held under the sponsorship of the college's Community Services office.

Dennis Petersen, supervisor of exhibits preparation, catalog and design at the San Jose Historical Museum, will instruct the course. He is a graduate of the Cooperstown program in museum administration, State University of New York. He has worked for the interpretive lab of the California Parks Department, the Sacramento Landmarks Commission, the Oakland Museum and the New York State Historical Association.

SCRUTINY

Comments on the Movies

by

Ed Ditterline

"The Godfather", which is now showing at the Century Theater in San Jose, is a triumph from every standpoint. Marlon Brando makes an unparalled artistic comeback as the aging Mafia chieftain, Vito Coreleone.

The film is so loyal to the book, you have the definite feeling you're reliving all the exciting moments which made Mario Puzzo's story one of the best-selling thrillers of recent years.

The Paramount film started out to be a cheap, modern day Mafia adventure before Puzzo's book hit the top of the best-selling charts. Fledgling director Francis Ford Coppola was assigned to the project, which overnight mushroomed into an epic period piece with a huge budget. With "The Godfather", Cappola firmly entrenched himself in the ranks of the country's major directors.

While the movie is quite long, it is well paced and the action never seems to stop. The sets, costumes and properties are meticulously authentic, which greatly helps to revive the era of the mid-forties when the story takes place.

Al Pacino plays the part of Michael with such finesse that he has also, undoubtedly, launched himself to a new height in his career. His restless, contradictory moods of compassion for the women he loves and the murderous animalism with which he attacks his enemies makes an extremely difficult role to play. Pacino manages quite nicely.

All the action you remember from the book is in the film: the slaying of the $600,000 racehorse to get a film role for singer Johnny Fontaine; Michael's assassination of the New York Police Chief and his Mafia boss, the love affair between Michael and the beautiful Sicilian girl which ends so disastrously and the all-out gang war between the families of the New York Mafia.

While the movie is violent, these episodes are handled with such a clinical eye that we are not repulsed by the action. The film rightly deserves its R rating, but no one should stay at home simply because they feel the movie might be too violent. Actually, by today's standards, it's quite tame.

During the production of the film, a great deal was made about the fact that the word Mafia would not be used. I can't see that this deletion hurt the movie in any way. In spite of the fact that the movie has received such overwhelming opposition from the Italian-American community, the film is superior and I feel that while the characters are Italian-Americans this point is almost incidental, because the movie is really a character study of individuals, rather than a particular nationality.

If you haven't read the book, I would certainly suggest that you do so before you go to see the movie. This is one time when reading the book will help you understand the action which is taking place.

Letters ask for same tax hike

Two letter writers to the board of trustees of the Campbell Union (elementary) School District last week, Dorothy Mitchell and Bob Lemmerman, suggested that the board should ask for a new tax increase election and go for the same $3.05 rate that was turned down by the voters on February 29.

In another letter, Joan Franks, questioned the expenditure of district funds to maintain the neighborhood parks that are being developed under a joint city-school district agreement.

The letters were submitted to the board meeting last week.

By split votes, the board at the meeting also approved the continuation of the summer recreation program and the report of the curriculum committee.

A report on the recent audit of the district was submitted by Judy Ruscigno and Dr. Bob King. The report highlighted the need for streamlining internal controls and an improvement in general accounting procedures.

The board did not take any action on setting a new tax increase election date.

COMPASSES

Compasses came into use about the end of the twelfth century in the Mediterranean area.

EXPLORER SOLOS — Fred Wood, a member of Air Explorer Post 343 and a freshman at West Valley College, receives congratulations on his first solo flight from his instructor, Kemp Allen. Before his solo Wood had 14 hours of flying time. Other members of the group who recently completed solo flights are Tim Martin and Steve Elam. Instruction for the young pilots is given through the Air Explorer Post, a branch of the Boy Scouts.

Post 343, supported by Lockheed Missiles and Space Company, Sunnyvale, organized this year. Boys between age 14 and 21 are eligible to join the group and may phone 269-5581, ext. 408 for more information.

PEDAL PRACTICE—Practicing up on their technique for the upcoming "Bike for Life" are, left to right, Granville Amundsen, Dan Barry, John Barry, Carrie Bright, and Cheryl Mathers. They will participate in an ecological fund-raising on Sunday, April 9.

Cyclists ride for their life and a greener state

Streams of bicyclists will pedal their smog-free vehicles along a 37.4 mile course through Santa Clara County in an ecological fun and fund-raising "Bike for Life" on Sunday, April 9, 9 a.m. to 6 p.m.

County residents of all ages may help swing the campaign for a greener California by winding along the back roads of Campbell, Saratoga, San Jose, Mountain View, Sunnyvale, Los Altos, Cupertino and Santa Clara.

The bike ride is sponsored by the People's Lobby, in an effort to fight the smog problem via the Clean Environment Act, cited as the Pollution Initiative, Proposition 9, on the June 6 California Primary ballot.

Aiding the cyclists will be police from the various cities, bike monitors and emergency cars which will patrol the route to mend broken bikes or tired riders.

Participants may begin and end their ride at any one of eight checkpoints along the route, which are also stocked with refreshments.

Checkpoint No. 7 is Hazelwood Elementary School, Virginia Avenue and Waldo Road. Riders will trek through Campbell along Virginia, Budd, Kennedy, Railway, Central, Hamilton and Bascom avenues.

Riders may be sponsored by any group or individual and can obtain bike cards and route maps at high schools, bike shops or from the Ecology Corps at DeAnza College, Cupertino.

Planning Commission gets eight building requests

Eight building plans will be up before the Planning Commission for approval next Monday, April 3, including apartments, warehouses and a restaurant.

Frank Bonacich has submitted plans for a five-unit apartment at 131 Shelley Ave. and the plans for a three-unit at 1535 Van Dusen Lane, submitted by Ben Morrone, are still before the Commission from previous meetings.

Don James, at 479-491 McGlincey; George Chew, at 524 Forman; Oliver Nelson, at 520 McGlincey, and Harvey Green, at 2605 Winchester, are seeking approval of plans for industrial construction.

John Font is seeking permission to convert a residence to an office at 106 E. Campbell and Herfey's Restaurant has submitted plans for its second establishment in town.

The Commission will also hold a public hearing on prezoning areas in the process of being annexed to the city on East Campbell, Duncanville and North Union.

California Savings is asking for approval of a parcel map for property at Bascom and Campbell avenues and Joseph Prestiagincomo has applied for a variance to construct a duplex at 215 W. Hamilton.

Garland Spears wants a permit to sell travel trailers at 175 Curtner and 4-Point Rentals wants a free-standing pole sign at 954 Camden Ave.

UNIFICATION

One of the issues facing the voters in primary election on June 6 is the unification of the Campbell Union High School District. Elections must be held in all non-unified areas on that date.

The voters have consistently turned down unification in the past. This will be the last unification election, however, in which elementary districts favoring unification, even if the unification is defeated overall, will be able to collect a premium of $20 per student. Moreland, for example, favored unification in one election and picked up the premium.

WESTERN PACIFIC

Navy Chief Petty Officer Ronald Roguski, husband of the former Miss Patty A. Burrous of Campbell, has sailed for the Western Pacific aboard the stores ship USS Vega, homeported at San Francisco, and is scheduled to visit Hong Kong, Japan, Taiwan, the Philippines and Thailand during Seventh Fleet operations.

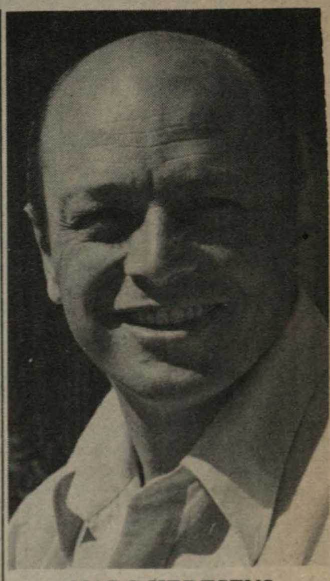
"Merry Widow" cast auditions

Tryouts for "The Merry Widow", final production of the season for the West Valley Light Opera Association, will be held Saturday and Sunday, April 1 and 2 at 1 p.m. in the Saratoga Civic Theater, 13777 Fruitvale Ave.

The play, which may open late in June, requires a cast of 50, including singers and versatile dancers.

Production staff for "The Merry Widow" includes Marc Hertsens, director, who has worked as choreographer, playwright and TV performer.

Mae Kaufman, graduate and former faculty member of the Juilliard School of Music, will guide the operetta's musical end. For more information phone 356-6410.



MARC HERTSENS

Local teens win top bank award

Two Campbell High students, Cindy McKay and David Rosenthal, triumphed over their competitors to win $250 in the zone competition of the Bank of America Awards program.

They are among the four San Jose zone finalists who will compete for $1,000 along with 24 other teens in the area finals, May 25, in Monterey.

Cindy, active in many school plays, won top zone award in the field of fine arts. David, a two-time winner in the VFW "Voice of Democracy" speech contest, placed first in liberal arts.

The other two first place zone winners are Cheryl Kunkel of Leigh High School, vocational arts, and Merle Axelrad of Willow Glen High, science and mathematics.

The four San Jose zone finalists will compete with 24 other selected students from throughout California.

Second place awards of $100 were given to two Prospect High students, Carol Monlux, for fine arts, and Jeff Pettit, liberal arts.

Alan Ichikawa of Del Mar also won second in science and mathematics.

Other local winners include Nancy Coker of Prospect High, vocational arts and Jack Mommsen of Westmont High, science and mathematics, both third place recipients of $75.

Receiving $50 awards were Stephen Rowe of Del Mar High, fine arts; Corrine van Klaveren, of Westmont High, vocational arts and Dorothy Franklin of Blackford, science and mathematics.

Zone winners of the Bank of America Awards were chosen by a panel of professional and civic leaders who sifted through nearly 40 students, already selected as top achievers, academically and personally.

Jr. High alters reading program

Though Castro Jr. High now has a reading program, it will be expanded into a required, 9-week reading lab, as a result of studies made by the school's two reading teachers.

After reviewing the Castro's current reading program, Mrs. Rae Schmidt and Mrs. Martha Hart submitted proposals for change to Moreland School District and were approved on three counts.

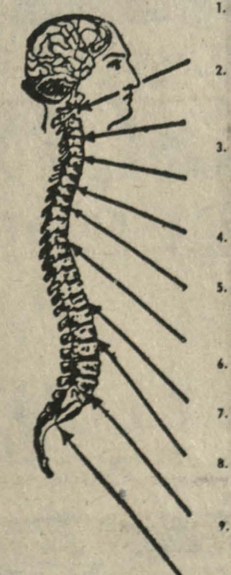
–$4,270 federal monies will be appropriated for the lab.

–Two teachers will instruct small groups of seventh graders, tested quarterly for placement in the nine-week program.

–A wide variety of teaching machines and workbooks will be available under the federal.

Mrs. Schmidt and Mrs. Hart predicted twice the usual progress with the new program, in areas of reading comprehension, vocabulary and listening skills.

Parent volunteers will assist in the reading lab.



SPINAL NERVE PRESSURE CAN CAUSE MANY AILMENTS

The ailments mentioned below are some which may be caused by vertebrae in the spinal column slipping out of alignment and causing pressure and irritation on nerves. Study the chiropractic chart below and you will understand why over 30 million people have benefited from chiropractic care.

1. Slight pressure on nerves at this point may cause headaches, insomnia, pain in the neck, nervousness, dizziness or emotional disorders.
2. A slight slipping of a vertebra, causing pressure on nerves in this part of the spine, may be the cause of throat trouble, bursitis, pain in the shoulders and arms.
3. This arrowhead locates the part of the spine wherein pressure on nerves could cause pain between the shoulder blades, muscular ache in the arm and shoulders, hay fever, allergies, and bronchitis.
4. Nerve pressure at this point may cause chest pains, asthma and difficult breathing.
5. Stomach and liver troubles, enlargement of the spleen, may be caused by vertebrae slipping and causing nerve pressure in this part of the spine.
6. Many gall bladder problems, and shingles, may be caused by pressure at this point.
7. Skin diseases are sometimes the result of nerve pressure at the spinal openings here.
8. Such trouble as lumbago, low backache, sacroiliac slip, slipped disc, are relieved by chiropractic adjustment at this point.
9. Constipation, rectal trouble, sciatica may be corrected by chiropractic adjustments of this part of the spine.
10. A slight slippage of one or both pelvic bones can produce sciatica, cramp in legs, and backache.

Regardless of what your ailment is called ... no matter how long you have suffered ... chiropractic care may be the answer to your health problem. Find out NOW if yours is a case for chiropractic ... Call for appointment.

Retired Navy officer plays on WV college tennis team

by Dick Sparrer

When most people near the ripe old age of 50 years they trade in their athletic shoes for a pair of bedroom slippers and only take the old "sneakers" out of mothballs to trim the hedges or jog around the block once or twice.

Not many are still competing in college athletics!

Charles Sharples is the exceptions.

Sharples, a retired Navy officer, is currently a top competitor on the West Valley College tennis team despite the 1924 birthdate on his driver's license.

At 47 years old, going on 48, Charles is one of the best on the Viking squad. He plays about the number four singles position and is a member of the number two doubles team, even though he's competing with young men about the same age as his oldest daughter.

Charles, and his wife Charlotte, live in Los Gatos with their four children, three girls and a boy (Marie, Karen, J.R., and Susan). Just out of the Navy after a 30 year hitch, Sharples has decided to return to college.

"I didn't have any large goal in mind for when I got out of the Navy but I did want to go to school," said the 47 year old athlete. "I joined the Navy right out of high school."

An all-around athlete as a prepster in Kansas, Sharples played football, basketball, and all the rest in his town of Clay Center. But his specialty was always tennis.

Last year, his last in the service, the "Admiral," as he was affectionately nicknamed by his WVC teammates, represented his area of Yokosuka in a tennis tournament in Japan for Navy men there.

After finishing high in that round, Sharples qualified for competition in the next round, set for Hawaii. Playing in the senior bracket (over 40), Charles was one of eight racquetmen there to win berths at the all-Navy finals at Pensacola, Florida.

"I've been playing tennis since high school," said the Vike competitor. "Since 1937 I've been playing off and on. There were times we'd be aboard ship for long periods and I just couldn't play. But every chance I got I'd pick it up a little in port."

"I certainly can't keep up with these kids but I try to outsmart them a little and use my experience," said the stern competitor.

The Viking tennis team is vastly improved over past seasons and one of the big reasons for that is the play of Sharples. The "Admiral," although he was a lieutenant in the Navy, helped spark the team to wins in their first matches.

Married now for 27 years, Sharples claims he plays any game with a racquet -- badminton, squash, ping pong, etc. "I really think I play a better game of badminton than anything else," he added.

Charles joined the Navy in 1941 just before the Japanese bombed Pearl Harbor. "I had just won a tennis tournament in San Diego among the Navy people down there," he said. "I remember the date very well."

A freshman at the school, Sharples claims, "I haven't seen anyone older than me yet."

Sharples has been through three wars and now would like to settle down to work in some youth program.

One amusing thing about Sharple's return to school is that recently three of his four children all brought home studies of the War of 1812 -- and so did Charles.

"VETERAN" RACKET WIELDER--Charles Sharples, 48, retired after 30 years service with the Navy, is a member of the West Valley College tennis team.

Students named as outstanding

The title, Outstanding Teenagers of America, was conferred recently on three Campbell High students; Paul Middleton, former student councilman, Cindy McKay, active in drama and Elizabeth Taylor, student body president.

The nominees have an opportunity to compete for further state, regional and national honors and scholarships of up to $7,000.

They were chosen for their excellence in community service and academic achievement.

SPECIAL COURSE

Navy Airman Apprentice Terril L. Owens, son of Mr. and Mrs. Bobby C. Martin of 244 Superior Drive, Campbell, has completed the Aviation Structural Mechanic School at Memphis.

He is a 1971 graduate of James Lick High School.

WINNERS IN 880--Running with two of his teammates hot on his heels, Mike Schaecher, of West Valley College, strides to a first place in the 880 in the meet with Contra Costa. The Vikes swept the event with Mike Haniger, second, and Russ Goodman, third. The 78-58 win put the Vikings in a good spot for the CNC title.

VIKING OUTRUN COSTA

West Valley College tracksters took a giant stride towards the Camino Norte Conference title last week with a 78-58 win over top ranked Contra Costa.

The orange and blue thinclads battle tough San Jose squad Saturday at 10 a.m. there.

John Murphy (Del Mar) led the WVC effort last week as he placed first in two events and tied for second in another. Murphy took the long jump with a 22'6" leap, the triple jump with a 45'3" vault, and went 5'10" in the high jump for second.

The two teams split the first places right down the middle but West Valley swept five events as they nailed the win. Valley took all three places in the 880, mile, discus, three mile and pole vault. Mike Schaecher (Branham) led sweeps in both the 880 and mile with two firsts. Mike Bassoni (Camden) won the discus, John Ahmberg (Westmont) the three mile, and Dave McWhinney (Branham) the pole vault.

BATMEN EDGE COMETS

After jumping out to an early 5-0 lead in their bout with first place Contra Costa last Thursday, the West Valley baseballers had to really fight back to nail down a 7-6 win over the Comets in the CNC.

Dave Wright (Los Gatos) tossed a perfect game at CCC over the first four frames but gave up six runs in the sixth and seventh frames.

NETMEN WIN

Three wins in action last week ran the WVC tennis team's record to 13-6 on the year and their current win string to five as they take the week off from dual-match action.

Friday and Saturday the orange and blue will compete in the Chabot tourney.

Jim Martin (Cupertino), Ken Hamilton (Del Mar), Steve Borkenhagen (Santa Clara); and Charles Sharples are given the best shots at high finishes in the tourney. The doubles team of Sharples and Borkenhagen currently hold a 17-2 season record while Hamilton is 16-3.

SWIMMERS WIN

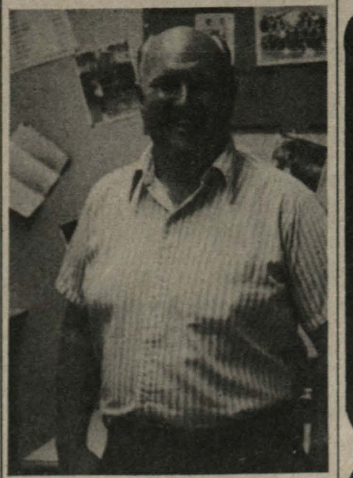
West Valley ran their dual-meet swimming record to 8-5 last Friday with a double dual victory over CCC and the College of the Redwoods.

And with only two meets left on the WVC schedule for the year, they have now clinched no worse than a winning record. Only DeAnza and San Jose City remain on their 1972 slate.

The Vikings took wins in all but two events last Friday as they crushed Costa 87-25 and Redwoods 93-15. Steve Hodos (Del Mar) and Dave Auchard (Leigh) led the Vike attack with two wins each on the day.

GOLFERS BEAT SOLANO

The Viking golfers notched another CNC victory last week as they crushed Solano 36-18 to run their league record to 4-1 with DeAnza the only loop foe left to face them in the first round of CNC play.



VIKING CAGE COACH--El Brown, an assistant basketball coach at West Valley College for the past two years, has been elevated to the position of head basketball mentor. Brown takes the place of Larry Jennings who resigned as basketball coach to devote his full time as athletic director.

1st BEACON

The first lighthouse in this country, located on Little Brewster Island, Mass., was put in operation in 1716.

STATE ALLOCATIONS

Campbell has been apportioned $11,608.82 from the cigarette tax for February and $16,416.77 for the highway users tax, according to Houston I. Flournoy, state controller.

ALL SUPPLIES FOR THE HOME MECHANIC ONE STOP DO-IT-YOURSELF CENTER
Each Excelon Tile is one foot square. Perfectly square, so they fit snugly together. Doing a professional job is as easy as putting one foot in front of another.
You don't install Excelon Tile just for the beauty of it. The whole idea of doing it yourself is to save money—money you can use for an extra decorative touch.
You thought you couldn't do it . . .
now you can! With Armstrong Place 'n Press™ EXCELON® TILE, a new floor is as easy as One, Two, Three.
1 Peel the release paper from the back of the vinyl-asbestos tile (the adhesive is already there).
2 Place the tile in position.
3 Press it down . . . it's on the floor to stay!
And, oh yes, Four . . . sit back and enjoy the lovely floor you installed yourself.
Armstrong Place 'n Press tile makes covering an old floor so easy you can transform that "tired, old floor" into something special any free afternoon. And style hasn't been sacrificed either. There are three beautiful designs in a choice of room-warming colors.
Stop by today, select your favorite, and enjoy it in your home tonight.
